An Empire of Print Steven Carl Smith,2017-06-29 Home to the so-called big five publishers as well as hundreds of smaller presses, renowned literary agents, a vigorous arts scene, and an uncountable number of aspiring and established writers alike, New York City is widely perceived as the publishing capital of the United States and the world. This book traces the origins and early evolution of the city's rise to literary preeminence. Through five case studies, Steven Carl Smith examines publishing in New York from the post-Revolutionary War period through the Jacksonian era. He discusses the gradual development of local, regional, and national distribution networks, assesses the economic relationships and shared social and cultural practices that connected printers, booksellers, and their customers, and explores the uncharacteristically modern approaches taken by the city's preindustrial printers and distributors. If the cultural matrix of printed texts served as the primary legitimating vehicle for political debate and literary expression, Smith argues, then deeper understanding of the economic interests and political affiliations of the people who produced these texts gives necessary insight into the emergence of a major American industry. Those involved in New York's book trade imagined for themselves, like their counterparts in other major seaport cities, a robust business that could satisfy the new nation's desire for print, and many fulfilled their ambition by cultivating networks that crossed regional boundaries, delivering books to the masses. A fresh interpretation of the market economy in early America, *An Empire of Print* reveals how New York started on the road to becoming the publishing powerhouse it is today.

The Beekman 1802 Heirloom Dessert Cookbook Brent Ridge, Josh Kilmer-Purcell, 2013-09-10 Dr. Brent Ridge and New York Times bestselling author Josh Kilmer-Purcell are not your average couple: The two Manhattanites left their big city lives behind, and found themselves living in bucolic Sharon Springs, New York, where they became accidental goat farmers. But what began as a way to reconnect with their own style of modern country living soon exploded into a wildly successful brand, Beekman 1802, named after their historic home. Brent and Josh are now world-renowned for producing everything from magnificent handcrafted goat’s milk soaps to artisanal Blaak cheese, and now, with *The Beekman 1802 Heirloom Dessert Cookbook*, they’re bringing their special vintage-modern touch to classic, remarkable recipes bound to become family favorites year after year. The *Beekman 1802 Heirloom Dessert Cookbook* will show off the delicious and decadent recipes that the Beekman Boys have collected from across the generations of their family, from Brent’s grandmother’s Fourth of July Fruitcake to Josh’s mother’s Hot Chocolate Dumplings. Each recipe will be accompanied by a personal memory from the authors or a story about how that recipe came to be. With eco-conscious and vintage-oriented food production gaining traction as a major culinary trend, this beautiful package will reel in readers, whether they’re nostalgic for some classic Americana in their kitchen or just hankering for the perfect Blackberry Betty recipe.
