Perry Rhodan 2955: Der Shod-Spiegel Leo Lukas,2018-04-05 Gut dreitausend Jahre in der Zukunft: Perry Rhodans Vision, die Milchstraße in eine Sterneninsel ohne Kriege zu verwandeln, lebt nach wie vor. Der Mann von der Erde, der einst die Menschen zu den Sternen führte, möchte endlich Frieden in der Galaxis haben. Unterschwellig herrschen immer noch Konflikte zwischen den großen Sternenreichen, aber man arbeitet zusammen. Das gilt nicht nur für die von Menschen bewohnten Planeten und Monde. Tausende von Welten haben sich zur Liga Freier Galaktiker zusammengeschlossen, in der auch Wesen mitwirken, die man in früheren Jahren als nichtmenschlich bezeichnet hätte. Besucher aus anderen Galaxien

suchen Kontakt zu den Menschen und ihren Verbündeten. Derzeit machen vor allem die Thoogondu aus der Galaxis Sevcooris von sich reden, einst ein von ES erwähltes und dann vertriebenes Volk. Dazu gesellen sich die Gemeni, die angeblich den Frieden in der Lokalen Gruppe im Auftrag einer Superintelligenz namens GESHOD wahren wollen. Mitten in diese Gemengelage hinein kehrt Atlan zurück – und landet in einem Konflikt zwischen zwei von Gemeni kontrollierten Völkern: den echsenartigen Gauchen und den Menes, Nachfahren von Menschen, die ihn als den in ihren Legenden angekündigten Sternenwanderer betrachten. Die Gemeni erkennen in ihm eine Gefahr und verfolgen ihn. Atlan bleibt nur die Flucht – sein Ziel wird DER SHOD-SPIEGEL ...

The Charter of the United Nations ,2024-05-22 Since the third edition of this commentary on the Charter of the United Nations was published in 2012, the text of the Charter has not changed DL but the world has. Central pillars of the international order enshrined in the UN Charter are facing serious challenges, notably the prohibition of the use of force. Human rights, too, have come under increasing pressure, now also from contemporary information technology. Global warming poses fundamental challenges for the world community as a whole in its effort to stabilize global ecosystems. Fully updated, the commentary takes up these and other developments. It features new chapters on Climate Change and the Human Rights Council. The commentary remains the authoritative, article-by-article account of the legislative history, interpretation, and practical application of each and every Charter provision. Written by a team of distinguished scholars and practitioners, this book combines academic research with the insights of practice. It is an indispensable tool of reference for all those interested in the United Nations and its legal significance for the world community. The Commentary will be crucial in combining solid legal foundations with new directions for the development of international law and the United Nations in the twenty-first century
