Emergency Stanley Stewart,2012-05-01 Emergency is a collection of true stories about events where disaster seems imminent. Yet each situation is concluded without loss of life thanks to the skill of the pilots and their crews, whose bravery and resourcefulness have earned them well-deserved commendations. Written by a British Airways First Officer, Stanley Stewart, who has spoken at first hand with the pilots and crews involved in all the incidents recorded here, the book offers a unique insight into what really happened: not the passengers eye-view, which in many cases is already documented, but the view from the flight deck of the aircraft itself.
