Starting an English Literature Degree Andrew Green,2009-09-09 Competition to study English Literature at university is now tougher than ever before. How can you make sure your application stands out? What is expected of you at university? How will you adapt to the changes in teaching, learning and lifestyle? The world of English Literature is an unfamiliar yet exciting one, and clear guidance on how to cope with the demands of university-level study is essential if you want to succeed. Andrew Green takes you from the A level/school/college classroom to the university lecture theatre, covering everything from: - Deciding which university and course is right for you - Making initial applications - Tackling Summer reading lists to the skills needed for studying at degree level: - Preparing for lectures, seminars and tutorials -

Interpreting reading lists and developing your reading skills - Applying literary theory - Becoming a better writer - Referencing an essay and avoiding plagiarism - Researching online Whether you are just thinking about taking English Literature to degree level, or needing help through your university course, Starting an English Literature Degree is the must-have companion.

Buck 'Em! Randy Poe,2016-01-01 Buck 'Em! The Autobiography of Buck Owens is the life story of a country music legend. Born in Texas and raised in Arizona Buck eventually found his way to Bakersfield California. Unlike the vast majority of country singers songwriters and musicians who made their fortunes working and living in Nashville the often rebellious and always independent Owens chose to create his own brand of country music some 2 000 miles away from Music City racking up a remarkable twenty-one number one hits along the way. In the process he helped give birth to a new country sound and did more than any other individual to establish Bakersfield as a country music center. In the latter half of the 1990s Buck began working on his autobiography. Over the next few years he talked into the microphone of a cassette tape machine for nearly one hundred hours recording the story of his life. With his near-photographic memory Buck recalled everything from his early days wearing hand-me-down clothes in Texas to his glory years as the biggest country star of the 1960s; from his legendary Carnegie Hall concert to his multiple failed marriages; from his hilarious exploits on the road to the tragic loss of his musical partner and best friend Don Rich; from his days as the host of a local TV show in Tacoma Washington to his co-hosting the network television show Hee Haw; and from his comeback hit Streets of Bakersfield to his induction into the Country Music Hall of Fame. In these pages Buck also shows his astute business acumen having been among the first country artists to create his own music publishing company. He also tells of negotiating the return of all of his Capitol master recordings his acquisition of numerous radio stations and of his conceiving and building the Crystal Palace one of the most venerated musical venues in the country. Buck 'Em! is the fascinating story of the life of country superstar Buck Owens from the back roads of Texas to the streets of Bakersfield.
