26/11 : The Attack on Mumbai ,2009-03-20 The attack on Mumbai shocked the world. For three days terrorists wreaked havoc over multiple venues in India's commercial capital, leaving a trail of blood, death and destruction. Reporters from Hindustan Times tracked the events as they unfolded at Cama Hospital, the Chatrapati Shivaji Terminus and followed the three-day siege at the Taj and Trident Hotels and at Nariman House. The collection brings together their dispatches as well as commentaries, profiles and columns published during the siege and its aftermath. This is a dramatic snapshot of the victims, heroes and perpetrators of the attacks and also of the outrage that still grips the nation.

26/11 Mumbai Attacked Ashish Khetan,Bachi Karkaria,Chris Khetan,George Koshy,Harsh Joshi,Julio Riberio,Rahul Shivshankar,2009-02-01 Bringing together the careful research and analyses of renowned journalists and police officials, *26/11 Mumbai Attacked* explicates the reality behind the brazen attack on India's sovereignty in November 2008 when ten heavily armed terrorists held an entire city to ransom by the sheer force of their zealotry. The scene-by-scene accounts, incisive analyses, and an exclusive interview with a LeT representative along with a description of its training camp in Muridke, Pakistan, reveal how the failure of Indian intelligence agencies landed Mumbai in the quagmire of terrorism. Paying homage to the brave security officers who lost their lives fighting the terrorists, *26/11 Mumbai Attacked* reiterates the chilling reality that India is under grave threat and the clock is ticking before the next big attack.

Mumbai 26/11: A Day of Infamy B Raman,2009 Mumbai 26/11 saw a mix of commando-style attacks typical of the special forces of an army and indiscriminate killing of civilians typical of the Lashkar-e-Toiba (LeT), the Pakistani jihadi organization. The meticulous planning, the thorough training of the 10 LeT terrorists, who carried it out, and the close coordination of the attacks from the command and control of the LeT had the stamp of Al Qaeda and Pakistan's Inter-Services Intelligence, both of which the LeT has a close relationship with. The LeT terrorists attacked a mix of targets—innocent Indian civilians in public places, Jewish people in a religious-cum-cultural centre and members of the Indian and foreign social and business elite in two five-star hotels. The attacks on the Jewish centre and the hotels lasted over 60 hours and were continuously telecast live by the TV channels. The success of the terrorist attacks, mounted from the sea, highlighted once again the serious deficiencies in India's national security apparatus and the role of Pakistan in the spread of terrorism across the world. Have we drawn the right lessons in respect of both? Can the Indian people now expect at least a more

robust counter-terrorism policy to prevent another 26/11?
