La Pace E Le Azioni Umanitarie Ugo Genesisio,1987 This book gathers the acts of the Congress on Peace and Humanitarian Actions, including the text of official statements and reports. The major themes discussed deal with the contribution of intergovernmental organizations, non-governmental organizations and the International Red Cross to peace,

in particular in such fields as armed conflicts, disarmament, famine relief, human rights, migration, refugee phenomena, etc. Three of the statements are specially dedicated to the refugee problem. The first is from Mr G. Arnaout, Director of the Division of Refugee Law and Doctrine in UNHCR, who gives an overview of the humanitarian actions of the Office since its creation through its two essential functions: protection and search of solutions. The second is given by Mrs H. Taviani, France Terre d'Asile, describing the activities of this NGO in favour of refugees, mainly by helping them to be received and accommodated all over France. The third by Mrs A. Gradin, Swedish Minister of Immigration, presents the point of view of the state facing the flow of migrants and refugees and their impact on the economic, social and cultural structures of a given country.

Azioni, obbligazioni e strumenti finanziari partecipativi Fabio Signorelli, 2006

Le Azioni Degregori & Partners, Il termine azione costituisce la frazione minima del capitale sociale che occorre sottoscrivere per assumere la qualità di socio di una società per azioni o in accomandita per azioni. Normalmente l'azione è rappresentata da un documento che attribuisce la qualità di socio a chi ne acquista il possesso in base a determinate regole di circolazione. In linea di massima le azioni devono poter circolare liberamente; tuttavia, la legge consente che l'atto costitutivo della società per azioni possa porre dei limiti alla loro circolazione, per esempio attraverso la clausola di gradimento oppure la clausola di prelazione. • La clausola di gradimento subordina il trasferimento delle azioni all'approvazione del consiglio di amministrazione della società. Questa clausola non è naturalmente ammessa per le società quotate in borsa. • In base alla clausola di prelazione, presente nelle società di piccole-medie dimensioni, gli azionisti si impegnano a offrire dapprima agli altri soci le azioni che intendono alienare. Il possessore di una azione è, quindi, proprietario di un'unità del capitale sociale della società, o, detto più brevemente, è proprietario di una quota societaria, e per questo motivo è socio della stessa. Le azioni devono essere di eguale valore e conferiscono ai loro possessori uguali diritti. Le azioni possono essere quotate o non quotate.
