Old Calabria Norman Douglas,2007-04-01 At the time when southern Italy was an isolated and underdeveloped region, Douglas wrote this 1915 travel guide to bring the beauty that he found in Calabria to the reading public. Inspired by the landscape, unique cultural traditions, and proximity to history, he found even traveling on long mule trails to be an enjoyable part of the journey rather than an inconvenience. Written in a chatty, conversational tone, *Old Calabria* will be of interest to armchair travelers and to anyone who enjoys stories of everyday adventure. British writer NORMAN DOUGLAS (1868-1952) wrote a number of books, including *South Wind* (1917).

Calabria - Vibo Valentia Editorial Board, Vibo Valentia is the provincial capital city, which enjoys a geographical position of extraordinary attractive value with its port with a tourist and commercial vocation among the best equipped between Salerno and Reggio Calabria, with a harbor master's office which is among the largest in Italy; a city that has a rich ancient history, important memories, first of all needs to work on its vocations to grow and develop in harmony with the new social reality. For the landscape beauties and historical testimonies, Vibo Valentia is undoubtedly a city dedicated to tourism: cultural, archaeological, religious tourism that becomes a primary resource for our territory. The historic center of Vibo Valentia is a rich mix of churches, monuments and medieval, baroque and nineteenth-century buildings where it is difficult to distinguish where one era ends and where another begins and this is probably the characteristic in which its charm resides. In this perspective, the web-guide financed by the Calabria Region with POR funds 2007-2013, represents a modern and fast tool for getting historical-artistic-environmental news of our province that offers tourists the most beautiful coast of the region, a hill with landscapes breathtaking, a mountain that can offer tourists itineraries immersed in centuries-old woods, places of worship and ancient memories. An ideal place for a stay dedicated to art, culture and nature and taste. Maria Limardo (mayor)

Calabria with Love Gianni Callari,2012-06 In 1927, in a town deep within the Calabrian mountains, an oppressed and isolated family lives under the tyranny of a violent baron who wants to subdue and recruit the brothers Pietro and Ferruccio

by any means possible. When the brothers reject his offer, the enraged baron exacts his revenge on the family in a brutal attack on their children. He attempts to kill Ferruccio's toddler son, Nicola, and forcefully adopts Pietro's now-orphaned four-year-old niece, Carmen. As astute as he is dangerous, Pietro now calling himself Zione insinuates himself into the baron's inner circle, waiting for the perfect moment to exact his own revenge. Years pass, and the world is at war. Ferruccio returns from the horrors of the Russian Front with a frostbitten foot, only to find there are battles to be won at home as well. Nicola, now a man, is engaged to Carmen, who carries his child. But the baron forbids his adopted daughter to marry. Under threat of death, Nicola flees to Miami. There he seeks protection and help from a local boss. Back in Italy, Carmen gives birth to their child before joining Nicola in Florida, in the hopes of starting a new life in the New World. Together they open an Italian restaurant and try to find happiness so far from home. They will never forget the Great Sila, the viddanedda, the beech forest, the fountains, and the procession of Santa Caterina. They will always remember their lost Calabria with love.

Calabria: The Other Italy Karen Haid, 2015-01-07 Once the hub of the Mediterranean, Calabria now dangles, largely ignored, at the bottom of the Italian boot, struggling for survival, acceptance and a place in modern Italy and the world. Little-known even to Italians outside the nefarious activities of its 'Ndrangheta mafia organization, Calabria allures with its simplicity and rewards with an underlying complexity, as in savoring an artisanal cheese, appreciating an ancient Greek masterwork or interpreting a particularly expressive phrase in the local dialect. Calabria: The Other Italy paints a compelling picture of contemporary Calabria and Southern Italy, weaving observation, personal anecdote, salient historical information and social commentary into a nonfiction narrative that combines travelogue with an exploration of everyday life and culture. At times humorous, at others poignant, this engaging work portrays the joys and challenges of the other Italy.

Calabria Angela Rubino, Luigi Elia, 2022-07-11 Calabria is the southern region of Italy, which geographically corresponds to the tip of the boot. This ancient land, which gave its name to Italy, is characterized by a great historical, cultural, archaeological and environmental richness and above all by a particular and unique in its kind, landscape variety. In 2017 the Calabria region was reported by the prestigious American newspaper New York Times, as one of the places on our planet that is really worth visiting. An unusual guide in which foreign tourists can find detailed information on the territory, culture, ancient villages, natural beauties, food and gastronomic heritage of this region, among the most fascinating and still little explored in Italy.

Bella Calabria Barbara Collet, 2021-08-03 Antonio, Prior einer Karmeliter Bruderschaft in Südkalabrien, entdeckt dank seiner archäologischen Hobby-Recherchen das lang gehütete Geheimnis seiner Familie. Mit seinem Freund David, einem Spezialisten für phönizische Kultur, stößt er auf einen sensationellen Fund, der - besonders im Zusammenhang mit der

zufälligen Freilegung einer der ältesten Synagogen des Landes - eine politische Dimension gewinnt: Kalabrien sei griechisch, so lautet die offizielle Lesart der staatlichen Institution. Antonio sieht sich daraufhin mit den Intrigen des Denkmalschutzes und einem von Rom entsandten Vertreter des Opus Dei konfrontiert. Der römische Priester soll das Terrain sondieren. Und so beobachtet der Spanier akatholische Prozesse mit Argusaugen. Im Blick hat der Orden auch ein Kloster im Aspromonte, das sich als Zwischenstation für Schwarzgelder eignet. Hier findet der römische Abgesandte zwar einen Ansatz, der ihm zur Machtübernahme verhelfen könnte, allerdings hat er nicht mit der Präsenz der 'Ndrangheta gerechnet.

The Jews in Calabria Cesare Colafemmina, 2012-06-22 This volume of the Documentary History of the Jews in Italy illustrates the history of the Jews in Calabria from the end of the fourth century, where the first archaeological evidence of their presence appears, to 1541.

Out of Calabria Peter Chiarella, 2007-12-20 Out of Calabria is the story of a privileged Calabrian family that emerged from poverty by a circumstance of war and the unswerving fortitude of one man; and of how the young women of his family refused to bend to the mores and traditions of the times, pitting them against their social order and their own father. Caterina and Concetta Zinzi each rebelled against their famed and highly esteemed father when he attempted to force the traditions of the times upon them, arranging their marriages to men of his choosing, based on dowry and family background. Raised as high spirited and independent women, both daughters sought out the men of their own preference and forced their will upon their controlling father. The doggedness of their pursuits resulted in their decline in social status and their eventual emigration to the United States. Caterina's attraction to a handsome field hand leads her into heated disagreement with her father, who is bent on marrying her to a man of wealth and promise. Moreover, he harbors a secret about the man she loves that would never allow him to be accepted into the Zinzi family. Concetta's man, also of very modest means, is required by his greedy family to marry an elderly rich woman, forcing him into an unhappy and faithless marriage; and, eventually, to a bigamous relationship with Concetta. To escape the influence and outmoded customs of Calabrian society, both women find

that they must leave Italy. There, they experience the travails and attainments of Italian immigrants in turn-of-the-century America. It is a story of contradiction, of rebellion by women in a society that presumed their obedience and adherence to tradition. And, it is a story of the enormous love that is possible between a man and woman, when they forsake everything to be together, flouting tradition in the face of disgrace and family disharmony. It is a story from out of the past that is relevant even today. Taken from real life occurrences in the author's ancestral maternal family, it is reminiscent at times of aspects of Melania Mazzucco's *Vita* and the coarse brutality of Upton Sinclair's *The Jungle*.

‘Ndrangheta of Calabria: Exploring a Pragmatic Approach to Confronting Organized Crime Vincent C. Figliomeni PhD,2019-06-30 The persistence of ‘Ndrangheta activities around the world show that deterrence efforts alone directed against organized crime fall short in significantly reducing or preventing ‘Ndrangheta organized crime. Additional approaches derived from the Rational Choice Perspective (RCP) are discussed, which include Routine Activities (RA) and Situational Crime Prevention (SCP). These practical approaches are applied to ‘Ndrangheta for the purpose of identifying required changes in the environment i.e., political, economic, social, technological, legal that are inclusive of environmental (PESTLE) in a framework using Dynamic Operational Design Planning and Assessment Approach (DODPAA). This approach offers a process for designing actions and measuring results for confronting ‘Ndrangheta organized crime. An example framework model using cocaine transiting through the port of Gioia Tauro is created as an illustration to assist in developing a law enforcement, judicial and legislative plans of action in order to measure, evaluate, and have results integrated into more detailed comprehensive plans of action for reducing and eventually preventing overall ‘Ndrangheta organized crime. This book presents a unique practical method, process, and model for security practitioners, criminologists and policy makers to consider for designing plans of action to confront, challenge, and assess future counter ‘Ndrangheta efforts.

Calabria - Corigliano Rossano Editorial board,2021-07-11 Corigliano Rossano was born from the union of the Municipalities of Corigliano Calabro and Rossano Calabro. It is a very important shopping center and a very popular tourist destination in summer. It can be reached via the Mediterranean motorway (Sibari exit) or via the state road 106 which connects Taranto to Reggio Calabria. It is well connected with Cosenza, Catanzaro, Rome, Naples, Milan with an efficient bus service. There are two train stations, but the Ionian line is not very efficient at the moment. The Sibari station, which is 17,5 kilometers away, which can be traveled in about 18 minutes by car, is served by Trenitalia with Frecciargento with daily runs to and from Rome.

Australian Women's Weekly _____ Set in Mussolini's Italy amid great upheaval, this is the story of one woman's determination to find her place in a world that men are threatening to tear apart. Calabria, Italy, 1936 In a remote farming village nestled in the mountains that descend into the sparkling Ionian Sea, young and spirited Giulia Tallariti longs for something more. Demystifying 'Ndrangheta: Challenging the Organized Crime Phenomenon of Calabria Vincent C. Figliomeni PhD, 2023-03-29 This book is focused on demystifying 'Ndrangheta, which includes unraveling 'Ndrangheta's behavioral elements that exploit criminal opportunities through conspiracy, collusion, and corruption, common among most mafia'-type groups, reinforced by 'mafia-mystique'. The 'Ndrangheta phenomenon has evolved over time by exploiting critical supporting

elements of power present within the cultural, socio-economic, and political environments of Calabria, which in turn perpetuates, protects, and sustains 'Ndrangheta's presence and persistence. A comprehensive and practical anti-/ counter-'Ndrangheta overarching campaign plan model is presented to assist policy makers, security practitioners, and criminologists in developing a method and a process for taking actions that neutralize essential elements of power and prestige that besides wealth, are primary objectives of 'Ndrangheta.
