Atti parlamentari della Camera dei deputati documenti Italia : Camera dei deputati,1881

Atti parlamentari della Camera dei deputati legislatura 11., sessione 2. 1871-72 Italia : Camera dei Deputati,1872*

Atti parlamentari Italy. Parlamento,1878 Consists of separately numbered series of publications of the Parlamento as a whole, the Senato, and the Camera dei deputati. Each session is divided into Disegni di leggi; Documenti; and: Discussioni.

Il diritto parlamentare nella teoria e nella pratica Vittorio Di Ciolo,Luigi Ciaurro,2013 Le site d'éditeur indique : Il volume approfondisce i temi classici del diritto parlamentare: dalle fonti alle prerogative e immunità, dall'organizzazione delle Camere al procedimento legislativo, dagli atti di indirizzo, controllo e informazione alle attività del Parlamento in seduta comune. L'ambizione è quella di fornire al lettore un approfondimento delle problematiche teoriche e dottrinarie, ma soprattutto la ricostruzione minuziosa dei precedenti relativi ai singoli istituti e procedure. Infatti, il diritto parlamentare vivente si nutre di molteplici fonti non scritte di diversa intensità e in qualche caso anche del cosiddetto diritto parlamentare informale, che solo gli operatori sul campo - come i due Autori - possono essere in grado di ricostruire. La lettura del testo consente quindi la conoscenza del reale vissuto (giuridico e in qualche caso politico) delle Camere.

The Italian Parliament in the European Union Nicola Lupo, Giovanni Piccirilli, 2017-10-05 The Lisbon Treaty states that national Parliaments shall contribute to a better functioning of the EU. Can they really do it and therefore enrich the European democracy? How far can they extend their original sovereignty without distorting political responsibilities that should be geared upon the European Parliament? The authors analyze the experience of the Italian Parliament under the light of these crucial questions and their exhaustive answers are greatly helpful to the readers of all over Europe. Giuliano Amato, Judge of the Italian Constitutional Court. This important new collection explores the role of the Italian Parliament in the Euro-national parliamentary system as an example of an increased role for national parliaments within the composite European constitutional order. It illustrates how parliamentary interactions within the European Union are highly systematic, with integrated procedures and mutual interdependence between the various institutions and stakeholders. The book argues that this dynamic is vital for both the functioning and the future equilibrium of democracy in the EU. This is significant, particularly given the challenges posed to democracy within the EU institutions and the Member States. Notwithstanding its peculiarities (a symmetrical bicameral system in which both Houses are directly elected, hold the same powers and are linked through a confidence relationship with the government), the Italian Parliament deserves specific attention as a lively active player of the European polity. The grid for its analysis proposed by this collection may also be applied to other national parliaments, so contributing to the development of comparative research in this field.

La Repubblica di San Marino dalla guerra fredda alla globalizzazione. Le orazioni ufficiali tra relazioni internazionali, cultura, comunicazione politica (1948-2013) Raffaello Ares Doro, Sante Cruciani, 2018-09-19 Le dinamiche delle relazioni internazionali, delle rappresentazioni culturali e della comunicazione politica si sono imposte come un terreno di studio ricco di potenzialità innovative e di chiavi interpretative originali sulla storia del Novecento, dalla guerra fredda alla globalizzazione. Tali dinamiche hanno riguardato anche la Repubblica di San Marino, i suoi rapporti talvolta conflittuali con l'Italia repubblicana, il suo articolato percorso di approdo nelle maggiori istituzioni europee e nei principali organismi internazionali. Prendendo le mosse dalle orazioni ufficiali per l'insediamento dei Capitani Reggenti, il volume ripercorre la storia della politica estera della Repubblica di San Marino, mette in luce le reti intellettuali transnazionali che l'hanno accompagnata, ne sottolinea gli echi nella stampa locale e nazionale, nei servizi cinematografici della Settimana

INCOM e nelle produzioni televisive di San Marino RTV. Le orazioni ufficiali di esponenti della politica, della cultura, del giornalismo e della televisione, basti citare soltanto Calamandrei, Jemolo, Terracini, Bo, Quaroni, Garosci, Zavoli, Spinelli, Magnani Noya, Mack Smith, Samaranch, Eco, Spadolini, Lalumière, Roversi Monaco, Levi Montalcini, Prodi, Andreotti, Cossiga, Maggioni, fino al segretario generale dell'Onu Ban Ki -moon, si intrecciano così con la storia della Repubblica di San Marino e con la sua proiezione sulla scena politica internazionale e nei circuiti della comunicazione politica. Aperto da un ampio saggio introduttivo, il volume presenta una antologia ragionata delle orazioni ufficiali più significative, mettendo a disposizione del lettore una accurata galleria di note biografiche degli autori e un apparato critico di supporto all'analisi politica e culturale dei testi selezionati. Gli autori Raffaello A. Doro, dottore di ricerca in Storia d'Europa presso l'Università della Tuscia in cotutela con l'Université Paris 2 Panthéon-Assas. Si occupa storia della radio e della televisione e di propaganda politica in Italia e in Europa. Studia anche i rapporti tra integrazione europea e Mediterraneo attraverso i media. Ha pubblicato una monografia e numerosi articoli sulla storia delle radio libere in Italia e in Francia e sulle relazioni tra politica e televisione. Sante Cruciani è ricercatore in Storia delle relazioni internazionali, presso l'Università della Tuscia (Viterbo). Si occupa della storia della guerra fredda e del processo di integrazione europea, con attenzione per la comunicazione e la propaganda politica.
