The European Conservatives and Reformists (ECR) Martin Steven,2020-08-04 The European Conservatives and Reformists (ECR) are now established as one of the larger groups in the European Parliament and from 2014 to 2019 had more MEPs than the Liberals, Greens or radical left and right-wing factions. Despite this, ECR has so far been largely dismissed by political scientists, journalists and Brussels policy-makers as merely another Euro-sceptic faction. Representing the first major study of the political activities of ECR and its 'Euro-realist' agenda, this book argues that ECR ought to be recognised as the main voice for Conservatism in Strasbourg, promoting 'Anglosphere' free market values and the role of NATO in international relations. The book begins with an examination of the origins and early development of ECR, when British Conservative leader David Cameron established the group in a Euro-sceptic gesture to his party. Cameron failed, however, to see the isolating long-term consequences of withdrawing his MEPs from the powerful European People's Party (EPP). Other chapters examine the role of ECR member parties in its development and profile - including Law and Justice (PiS) from Poland, the Czech Civic Democrats (ODS), the New Flemish Alliance (N-VA) and the Danish People's Party (DF). Drawing on interviews with MEPs and other key figures, the book concludes with an analysis of the leadership and policy activities of ECR politicians in Brussels and Strasbourg in an attempt to measure influence.

**The European Conservatives and Reformists (ECR)** Martin H. M. Steven,2020 This is the first study of the political activities of the European Conservatives and Reformists (ECR), now the third largest group in the European Parliament. ECR has so far been largely dismissed as merely another Euro-sceptic faction by political scientists and Brussels policy-makers - yet this book argues that ECR ought instead to be recognised as the main voice for Conservatism in Strasbourg promoting 'Anglosphere' free market values and the role of NATO in international relations. Drawing on interviews with MEPs, this book is the first major in-depth analysis of ECR and its 'Euro-realist' agenda, covering its origins and development in the British Conservatives through to the role of member parties such as Law and Justice (PiS) from Poland. This book will be of interest to anyone with an interest in Conservative politics and the work of the European Parliament.

Excerpt: The European People's Party (EPP) is the major European political party of the centre-right. The EPP was founded in 1976 by Christian democratic parties, but later it increased its membership to include conservative parties and parties of other centre-right perspectives. The EPP has been the largest party in the European Parliament since 1999, the European Council since 2002 and is also by far the largest party in the current European Commission. The President of the European Council and the President of the European Commission are both from the EPP. Many of the Founding fathers of the European Union were also from parties that would later form the EPP. Outside the EU, the party also controls a majority in the Parliamentary Assembly of the Council of Europe. The EPP has alternated with its centre-left rival the Party of European Socialists (PES) as the largest European political party. The EPP includes major parties such...

**A Thorn in the Side of European Elites** Florian Hartleb,2015-01-23 The European project has recently reached a critical point, where a discussion on the fundamental objectives of the European Union has entered public debate. There are considerable concerns about a new Euroscepticism arising in response to recent developments, especially the Eurozone crisis, and a general feeling of malaise towards the European project from both national elites and ordinary citizens of Member States. This paper looks at how Euroscepticism can be defined, the reasons behind its development in Western and Eastern Europe and the EPP's perspective on this phenomenon.Ê

**The Conservative Party and European Integration Since 1945** N.J. Crowson,2006-12-05 This volume provides an up-to-date and comprehensive introduction to British policy in Europe. By exploring the schisms within the party over Europe,

through primary source-based history and theoretical discourses of political science, N.J. Crowson gives the reader the best sense of understanding of how and why the Conservative party's policy attitudes to European integration have evolved. The Conservative Party and European Integration since 1945 adopts a thematic line based around two chronological periods, 1945-75 and 1975-2006, and uses different methodological approaches. It explores the shifting stances amongst Conservatives within an economic, political and international context as the party adjusted to the decline of Britain's world role and the loss of empire. Crowson analyzes Britain's role and relationship with Europe together with the study of the Conservative Party, and deals with economic, commercial and monetary issues, successfully bridging a serious gap in any discussion of the UK's relations with the European Union and appreciation of the political world in which Conservative European policy has been framed and pursued since 1945. This book is recommended for background reading in undergraduate courses in British politics and European history.

Euroscpticism Versus Political Pragmatism Tuomas Iso-Markku,2014 While many Euroscptic parties in Europe achieved historical successes in this year's EP elections, Finland's populist Finns Party was unable to fulfil its own high expectations. With the eurozone crisis at least temporarily subsiding and Finland's own economy struggling, the party has been unable to find a new electoral trump card. Facing a changed political climate and stiffer competition, the party is currently toning down its criticism of the EU, as indicated by its recent decision to join the British Tories in the European Conservatives and Reformists (ECR) group.

1830s Establishments in the United Kingdom Leeanna Dillard,2012-05-10 What's so special about Conservative Party (UK)?In this new, compelling book from author Leeanna Dillard, find out more about Conservative Party (UK) ...The Conservative Party, formally the Conservative and Unionist Party, is a centre-right political party in the United Kingdom that adheres to the philosophies of conservatism and British unionism. It is the largest party in the United Kingdom, being the largest single party in the House of Commons with 306 MPs, the largest party in local government with 9,391 councillors, and the largest British party in the European Parliament with 25 MEPs. It governs in coalition with the Liberal Democrats, with party leader David Cameron as Prime Minister.Colloquially referred to as the Tory Party or the Tories, the Conservative Party emerged in 1834 out of the original Tory Party, which dates to 1678. The party was one of two dominant parties in the nineteenth century, along with the Liberals. It changed its name to Conservative and Unionist Party in 1912 after merging with the Liberal Unionist Party, although that name is rarely used and it is generally referred to as simply the Conservative Party.In the 1920s, the Liberal vote greatly diminished and the Labour Party became the Conservatives' main rivals. Conservative Prime Ministers led governments for 57 years of the 20th century, including Winston Churchill and Margaret

Thatcher. Thatcher's tenure led to wide-ranging economic liberalisation, placing the Conservatives firmly as the most free market and eurosceptic of the three major parties. The party was returned to government in 2010 under the more liberal leadership of David Cameron. In the European Parliament, the Conservatives are the largest British party with 25 MEPs, who sit with the European Conservatives and Reformists group, while the party is a member of the soft eurosceptic AECR. They are the third-largest party in the Scottish Parliament and second-largest in the Welsh Assembly. They are currently allied to the Ulster Unionist Party, which is part of the five-party Northern Ireland Executive. So, what separates this book from the rest? **Karrieredestination Europäisches Parlament** Uli Hausner, 2016-09-22 Anhand eines systematischen Vergleichs soziodemographischer, karriererelevanter und politischer Strukturelemente analysiert der Autor die Karrieren von 1388 konservativ-christdemokratischen und grünen Abgeordneten des Europäischen Parlaments. Daraus zieht er Rückschlüsse auf nationale und parteispektrale Muster hinsichtlich Rekrutierung und Karriereverläufen. Die Untersuchung der Unterschiede und Gemeinsamkeiten - national oder europäisch geprägt - politischer Laufbahnen mündet schließlich in die Entwicklung einer faktorenbasierten Typologie von fünf Karrieretypen für die europäische Ebene.

**Europadämmerung** Ivan Krastev, 2017-08-07 Nach 1989 waren Landkarten plötzlich nicht länger in Mode. Die Grenzen sollten geöffnet werden für Menschen, Güter, Kapital und Ideen. An die Stelle der alten Karten traten Graphiken, welche die ökonomische Verflechtung innerhalb der EU illustrierten. Heute erleben wir einen ideologischen Zeitenwechsel: Wo die Mehrheit der Europäer noch vor einigen Jahren optimistisch auf die Globalisierung blickte, empfinden sie Migration und die Rückkehr der Geopolitik als Quelle der Unsicherheit. Ivan Krastev untersucht die Ursachen für diesen Wandel und erörtert, welche Formen die europäische Desintegration annehmen könnte. Ein Zerfall der EU, so Krastev, wäre eine Tragödie, die den Kontinent zu internationaler Bedeutungslosigkeit verurteilen würde.

Wie Demokratien sterben Steven Levitsky, Daniel Ziblatt, 2018-05-29 »Das wichtigste Buch der Trump-Ära« The Economist Ausgezeichnet mit dem NDR Kultur Sachbuchpreis als bestes Sachbuch des Jahres Demokratien sterben mit einem Knall oder mit einem Wimmern. Der Knall, also das oft gewaltsame Ende einer Demokratie durch einen Putsch, einen

Krieg oder eine Revolution, ist spektakulärer. Doch das Dahinsiechen einer Demokratie, das Sterben mit einem Wimmern, ist alltäglicher - und gefährlicher, weil die Bürger meist erst aufwachen, wenn es zu spät ist. In ihrem mehrfach preisgekröntem Bestseller zeigen die beiden Politologen Steven Levitsky und Daniel Ziblatt, woran wir erkennen, dass demokratische Institutionen und Prozesse ausgehöhlt werden. Und sie sagen, wie wir diese Entwicklung stoppen können. Denn mit gezielter Gegenwehr lässt sich die Demokratie retten - auch vom Sterbebett.

**Parties and Elections in Europe** Wolfram Nordsieck, 2024-02-22 Parties and Elections in Europe is a comprehensive reference guide to the parliamentary elections and governments in the European countries since 1945, the elections to the European Parliament since 1979 and to all significant political parties in Europe. Listed are more than 1250 parties (currently active parties and dissolved or inactive parties). The guide includes basic data of these parties (founding years, political orientations, affiliations to political parties at European level, political groups in the European Parliament and political internationals) and a chronological summary of their history (name changes, predecessors, mergers and splits).

### **European Conservatives And Reformists Introduction**

In the digital age, access to information has become easier than ever before. The ability to download European Conservatives And Reformists has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download European Conservatives And Reformists has opened up a world of possibilities. Downloading European Conservatives And Reformists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of

carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading European Conservatives And Reformists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download European Conservatives And Reformists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading European Conservatives And Reformists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading European

Conservatives And Reformists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download European Conservatives And Reformists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
