

Giappone

John W. O'Malley

Lettera annua del Giappone dell'anno 1624. The palme of Christian fortitude. Or the glorious combats of Christians in Iaponia. Taken out of letters of the Society of Iesus from thence written by João Rodrigues Girão . Anno 1624. Translated by Edmund Sale, otherwise Neville Jesuits,1630

Untergrundkrieg Haruki Murakami,2011-10-17 »Wenn das 20. Jahrhundert das Jahrhundert der Weltkriege war, so wird vielleicht das 21. Jahrhundert das Jahrhundert eines ›Untergrundkriegs‹ zwischen den ›verschlossenen Geistessystemen‹ und den ›offenen Geistessystemen‹ werden« Haruki Murakami ›Untergrundkrieg‹ untersucht die Vorgänge und Folgen eines Märztages des Jahres 1995, der als Tag wie jeder andere begann. Doch dann durchlöcherten in der Untergrundbahn einige Mitglieder der Aum-Sekte mit den Spitzen ihrer Regenschirme Plastikbeutel mit einer seltsamen Flüssigkeit. Zwölf Menschen starben durch die austretenden Sarin-Dämpfe, Tausende wurden verletzt. Haruki Murakami hat auf diese Tat geantwortet, in dem er mit Angehörigen der Toten, mit Überlebenden, aber auch mit Mitgliedern der Sekte sprach. Diese Porträts führen den Schrecken und die Verstörung, die Ungeheuerlichkeit und ihre Folgen dort vor, wo sie sich am überwältigendsten zeigen – beim einzelnen Menschen.

I primi gesuiti John W. O'Malley,1999

Giappone Chris Rowthorn,2010

Die Geisha Arthur Golden,2006-03-01 Zu Beginn der 30er-Jahre wird das einfache Fischer mädchen Chiyo in die alte Kaiserstadt Kyoto gebracht. Nach einer qualvollen Ausbildung steigt sie zu einer der begehrtesten Geishas in ganz Japan auf. Doch ihr Traum vom privaten Glück erfüllt sich erst nach dem Untergang der alten Geisha-Kultur. Arthur Golden hat mit seinem Roman »Die Geisha« einen Klassiker geschrieben – ein faszinierendes Asien-Epos. »Die Geisha« ist ein Roman voll beeindruckender Intensität. Golden ist ein Meisterwerk gelungen.« Hannoversche Allgemeine Zeitung

Shōgun James Clavell, 1976 Packender, von exotischem Reiz geprägter Roman, der das Japan des frühen 17. Jahrhunderts, an der Schwelle zur Neuzeit, schildert.

Der Maler der fließenden Welt Kazuo Ishiguro, 2021-03-15 In den 1930er-Jahren hat der Maler Masuji Ono seine Kunst in den Dienst der japanischen Expansionspolitik gestellt. Jetzt, nach dem Krieg, ist sein damaliger Patriotismus anrühlich geworden, und als seine Tochter heiraten will, wird seine politische Vergangenheit zur Belastung für die Familie. Seine Lebensbeichte offenbart ein heillooses Geflecht von Schuld und Irrtum und ist ein Läuterungsprozess, nach dem er nicht mehr derselbe sein wird wie zuvor. Kazuo Ishiguros eindringlicher, meisterhaft erzählter Roman über einen Künstler, der mit seiner Vergangenheit ringt, lässt das vom Krieg zerrüttete Japan der Nachkriegszeit wieder aufleben, ein Land im Umbruch, in dem verschiedene Lebensweisen um die Vorherrschaft kämpfen und ein Volk zwischen Tradition und Moderne nach einem neuen Lebenssinn sucht.

Knowledge and Arts on the Move Christopher Craig, Enrico Fongaro, Akihiro Ozaki, 2019-02-01T00:00:00+01:00 East and West have long stood as towering edifices dividing history and the world into separate spheres. In fact, the two poles have not only shared a multitude of connections over the centuries, they have also played essential roles in shaping the identities of their oppositional others. Cultural exchange, mutual imaginings, and other forms of interaction have contributed to both the creation of an exotic other and a framing and definition of the self. The essays in this collection explore the creation and transformation of self image through the encounter between East and West from a variety of disciplinary approaches. Scholars from Japan and Europe apply methodologies and concerns from history, literature, art history, aesthetics, sociology, political science, law, and anthropology to issues of identity formation and transformation at the nexus of East Asia and Europe.

Giappone Christopher Harding, 2020-02-20T00:00:00+01:00 Un sorprendente racconto della cultura giapponese dall'apertura al mondo a metà Ottocento a oggi; la storia del Giappone raccontata attraverso gli occhi di chi ha accolto questo cambiamento non con la fiducia e l'avidità ambizione dei modernizzatori e dei nazionalisti, ma con resistenza, conflitto, disagio. L'autore presenta scrittori di teatro, storie di fantasmi e romanzi polizieschi in cui la modernità stessa è la tragedia, il demone e il cattivo. Artisti surrealisti e d'avanguardia che disegnano la loro fuga, piloti kamikaze ribelli e bistrattati poveri di città, ipnotizzatori e gangster, uomini alla disperata ricerca dell'eterno femminile e femministe in cerca di qualcosa in più di una sottomissione sancita dallo Stato, buddisti senza morale, gruppi terroristi marxisti: sacche piene da scoppiare con le ricadute psicologiche di una vertiginosa modernizzazione. Nascono tutti dal suolo del moderno Giappone, ma le loro personalità e i loro progetti non sono riusciti ad adattarsi. Sono 'fiori scuri': ibridi di Oriente e Occidente che hanno coronato, esplorato e qualche volta trasformato le nuove strutture del Giappone tradizionale.

The Dragon and the Dazzle Marco Pellitteri, Jean-Marie Bouissou, Gianluca Di Fratta, Cristiano Martorella, Bounthavy

Suvilay,2010 In the worldwide circulation of the products of cultural industries, an important role is played by Japanese popular culture in European contexts. Marco Pellitteri shows that the contact between Japanese pop culture and European youth publics occurred during two phases. By use of metaphor, the author calls them the Dragon and the Dazzle. The first took place between 1975 and 1995, the second from 1996 to today. They can be distinguished by the modalities of circulation and consumption/re-elaboration of Japanese themes and products in the most receptive countries: Italy, France, Spain, Germany and, across the ocean, the United States. During these two phases, several themes have been perceived, in Europe, as rising from Japan's social and mediatic systems. Among them, this book examines the most apparent from a European point of view: the author names them machine, infant, and mutation, visible mostly through manga, anime, videogames, and toys. Together with France, Italy is the European country that in this respect has had the most central role. There, Japanese imagination has been acknowledged not only by young people, but also by politicians, television programmers, the general public, educators, comics and cartoons authors. The growing influence of Japanese pop culture, connected to the appreciation of its manga, anime, toys, and videogames, also urges political and mediologic questions linked to the identity/ies of Japan as they are understood--wrongly or rightly--in Europe and the West, and to the increasingly important role of Japan in international relations.--Back cover

Storia del Giappone Kenneth Henshall,2017-07-04 Due secoli fa il Giappone era un paese di risaie e feudatari dispotici, in pochi decenni si è trasformato in una potenza imperialista. È uscito dalla Seconda guerra mondiale annichilito dall'atomica, ed è riuscito a trasformarsi in superpotenza industriale e finanziaria. Risultati eccezionali dovuti a una serie di circostanze favorevoli, ma soprattutto alla capacità dei giapponesi di volgere quelle circostanze a proprio favore grazie a millenari valori e pratiche di vita profondamente radicati nella storia. Per comprendere il presente del Giappone, insomma, è indispensabile ripercorrerne il passato. È ciò che fa Kenneth G. Henshall in questo volume, rapido quanto esauriente, e aggiornato fino agli ultimi eventi e ai più recenti studi storici.

Japans auswärtiger Handel von 1542 bis 1854 Oskar Münsterberg,1896

Japans auswärtiger Handel von 1542-1854 Münsterberg,1896

La bellezza del Giappone segreto Bruno Amato,2019-09-13T00:00:00+02:00 Il Giappone è come un'ostrica, non ama i corpi estranei. Se il più piccolo granello di sabbia penetra nel suo guscio, l'ostrica produce una sostanza, la madreperla, che deposita sulla particella estranea finendo per creare una bellissima perla. Analogamente, il Giappone riveste ogni cultura che viene dall'esterno, trasformandola in una perla giapponese. La perla finita è un oggetto di grande bellezza, ma la natura essenziale dell'originale è andata perduta. Il Giappone è affascinato dai segreti.

La nascita del Giappone moderno E. Herbert Norman,2024-02-02T00:00:00+01:00 In quest'opera dal valore

intramontabile, Norman affronta tutte le peculiarità del periodo della Restaurazione Meiji (1868-1912) che hanno caratterizzato l'economia, la politica estera e interna del Giappone moderno: dal termine del feudalesimo Tokugawa, fino al consolidamento del potere dello Stato con la nuova costituzione della fine del XIX secolo. Tema centrale è la spiegazione della rapida costruzione di uno Stato assoluto e centralizzato, nonché lo sviluppo di un'economia industriale in condizioni di totale controllo e protezione nazionale. Lo studio considera la decadenza del feudalesimo, l'ascesa dell'industrialismo e il modo in cui l'élite mantenne il controllo sociale. La presente edizione include anche il saggio Soldati e contadini in Giappone: le origini della coscrizione.

The Enigmatic Realm of **Giappone**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Giappone** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.

Giappone Introduction

In the digital age, access to information has become easier than ever before. The ability to download Giappone has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Giappone has opened up a world of possibilities. Downloading Giappone provides numerous advantages over physical copies of

books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Giappone has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Giappone. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites,

granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Giappone. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Giappone, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Giappone has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Giappone Books

1. Where can I buy Giappone books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book

- formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Giappone book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of Giappone books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Giappone audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Giappone books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
