

Gruppi Europei

Eckhard Römer

Entscheidung für Europa - Decidere l'Europa Volker Depkat, Piero Graglia, 2010-12-23 Das Buch analysiert die Entscheidung deutscher und italienischer Spitzenpolitiker, nach 1945 auf nationale Souveränitätsrechte zu verzichten, um die Integration Europas voranzutreiben, in Abhängigkeit vom erfahrungsgesättigten Epochenbewusstsein der Zeit. Im Zentrum stehen die Um-1880-Geborenen, jene Alterskohorten, die das gesamte „Katastrophenzeitalter“ des 20. Jahrhunderts bewusst erlebten, maßgeblich durch die Faschismuserfahrung in beiden Ländern geprägt waren und nach 1945 den Prozess der europäischen Einigung vorantrieben. Vielfach mit dem Nationalstaat als scheinbar unterhintergehbaren Rahmen politischer Ordnung sozialisiert, waren sie es, die nach 1945 die europäische Integration einleiteten, die den Nationalstaat als Kategorie politischer Ordnung erodieren ließ. Der Band kombiniert biographie- und generationengeschichtliche Längsschnittanalysen mit mentalitätsgeschichtlichen Querschnitten, um das Handeln politischer Akteure aus historischem Bewusstsein in beiden Ländern zu rekonstruieren. Die aus den Erfahrungen des 20. Jahrhunderts resultierenden individuellen und kollektiven Lernprozesse werden dabei ebenso sichtbar wie kultur- und erfahrungsgeschichtliche Konvergenzen und Divergenzen im deutsch-italienischen Verhältnis.

Berater in Europa E.C.U. European Consultants Unit, 2013-12-19

Italienische Mediensprache. Handbuch / Glossario del linguaggio dei mass media Eckhard Römer, 2009-12-15 So wie jedem deutschen Zeitungsläser der Barras, die Schlapphüte, die Hardthöhe zu geläufigen Begriffen geworden sind, und Abkürzungen wie AOK, TÜV oder DGB so vertraut sind, dass eine Auflösung oder Erklärung dieser Abkürzungen nicht erforderlich ist, muss auch dem italienischen Leser nicht erläutert werden, für was Fiamme Gialle, Botteghe Oscure, Inps oder Tac stehen. Die vorliegende Ausarbeitung gibt denjenigen Hilfestellung, die bereits gute Grundkenntnisse der italienischen Sprache besitzen und diese nun um den Wortschatz erweitern wollen, wie er in den italienischen Medien verwendet wird. Dem Leser bietet sich eine wahre Fundgrube, die in dieser Zusammenstellung bislang nicht vorhanden ist. Mit seinem Anliegen richtet sich das Werk sowohl an den wissenschaftlich vorgeprägten Leser als auch an den interessierten Laien. Thematisch wird dabei, in Anlehnung an den Aufbau einer italienischen Tageszeitung, ein weiter Bogen geschlagen von Politik über Wirtschaft, Justiz, Arbeit und Soziales bis hin zu Kultur, Umwelt, Verkehr oder Sport.

Europei al voto Doriana Floris, 2017-01-10T00:00:00+01:00 1260.94

A New Narrative for a New Europe Daniel Innerarity,Jonathan White,Cristina Astier,Ander Errasti,2018-10-31 The book aims at contributing to that debate by offering a new conceptual approach to the core ideas of European integration process (sovereignty, diversity, common challenges, etc).

Der identitäre Rausch Alexander Fontó,Kathrin Glösel,Johannes Kramer,Hanna Lichtenberger,Guido Margheri,Lukas Tröger,Max Volgger,Bernhard Weidinger,2019-05-29 Grenzregionen sind ein fruchtbares Gebiet für Rechtsextremismus, wo nationale Auseinandersetzungen zuerst geschürt und dann politisch ausgeschlachtet werden. Südtirol ist hierfür ein Paradebeispiel. Noch marschieren der deutsche und der italienische Rechtsextremismus getrennt, weil diesen der jeweils eigene Nationalismus entgegensteht. Gemeinsam ist beiden Bewegungen, dass sie erstarken: Mit CasaPound ist der Faschismus des Dritten Jahrtausends bereits in den Bozner Gemeinderat gezogen. Auf deutscher Seite spielen Neonazis und rechtsgerichtete Organisationen mit der Südtiroler Urangst des Identitätsverlustes. Außerdem sind Südtirols Rechtsextreme nicht allein, erhalten sie doch aus Deutschland, Österreich und aus Italien ständig ideologischen Nachschub. Le regioni di confine, dove i conflitti nazionali vengono prima scatenati e poi sfruttati politicamente, sono un'area fertile per l'estremismo di destra. L'Alto Adige ne è un esempio paradigmatico. L'estremismo tedesco e quello italiano di destra marciano ancora separatamente, perché contrapposti dal proprio nazionalismo. Ma entrambi si rafforzano. Con CasaPound il fascismo del terzo millennio si è già insediato nel Comune di Bolzano. Sul versante tedesco, organizzazioni neonaziste e di destra giocano con la paura primigenia dei sudtirolesi di perdere l'identità. In Alto Adige gli estremisti di destra non sono soli, ricevono costanti rifornimenti ideologici dalla Germania, dall'Austria e dall'Italia.

Europe and the Left James L. Newell,2020-10-12 This edited volume revolves around two sets of questions. First, what do the 2019 European elections suggest about the extent to which the mainstream parties of the left are attempting to deal with their decline through an increased, common, emphasis on their project for a more integrated, 'social Europe' as opposed to an emphasis on the more 'traditional', domestically-focussed, issues? Given the heightened profile of Europe in domestic politics; given the polarisation around Europe; given the way in which (especially in the countries of the Eurozone) media discussion of the domestic implications of EU decision-making can influence the climate of opinion regardless of the actions of domestic party actors themselves, we would expect the social democrats among them to seek to reassert control over the conditions of opinion formation through a renewed emphasis on integration (as well as its benefits and its potential as a source of identities to rival national, exclusionary identities) in opposition to their populist and Eurosceptical adversaries. To what extent do the campaigns waged by these parties bear out this expectation? Second, how well are the parties coping with the internal and external, institutional and political obstacles in the way of pursuit of this agenda?

The Christian Democrat International Roberto Papini,1997 This text examines the history, organisation and continuing worldwide influence of the International Christian Democratic movement, which currently has nearly 70 parties

on five continents. It demonstrates how a religious political movement has acquired such wide political influence.

Festschrift für Karl Beusch zum 68. Geburtstag am 31. Oktober 1993 Karl Beusch, 1993

Conflitto e democrazia in Europa, 1650-2000: Charles Tilly,

The Role of Europe in the World Roberto Palea, 2007

Mapping European Corporations Andrea Colli, Abe De Jong, Martin Jes Iversen, 2013-09-13 This book addresses the evolution of the strategies, structures, ownership patterns and performances of large European corporations since the early 1960s. The authors study large and small countries, in order to understand how the process of economic integration has affected the patterns of growth and the structural characteristics of the largest firms. Drawing both on extensive databases and on case studies, the contributions in this volume address the peculiar specificities of large firms in different national contexts, adopting a longitudinal, long term perspective. This volume delivers the first results of an international, collective research effort undertaken by several national teams. The 'Mapping Corporate Europe' project aims to provide a detailed account of the structural traits of the European Corporation in a framework which includes (i) a chronological analysis over 50 years, starting with the Rome treaty in 1957; (ii) geographical extension beyond previous analyses for France, Germany and the UK, by including smaller countries; (iii) firms from other industries in addition to manufacturing companies; and (iv) attention to internationalisation of European firms. These analyses form the basis of a rich description of the developments of large European corporations over the past five decades, using both qualitative and quantitative approaches. This book was originally published as a special issue of Business History.

Integrated Crop Protection P. Graffin, 2020-09-24 This book discusses the constraints on biological control ranging from the difficulty of convincing growers that they should infest their crops artificially to the effect of cultural techniques.

Citizenship and Identity in Europe Leslie Holmes, Philomena Murray, 2018-12-17 Published in 1999. Issues of citizenship and identity have rapidly moved up the European and social science agendas in recent years. This book explores the reason for this. It focuses on the dilemmas of citizenship and identity in the uncertain and unpredictable atmosphere of fin de siècle Europe. In the course of eight essays, it explores the general theoretical issues of citizenship and identity - and the relationship between these - in contemporary Europe; the various aspects of European Union citizenship (two chapters); democracy and multiculturalism in Western Europe; pluralism and citizenship, with particular reference to gender in West European politics; the various implications for gender politics of divorce in Western Europe; exclusion and inclusion in central and Eastern Europe; and the extent to which the idea of a Yugoslav national identity has been a failure. *Citizenship and Identity in Europe* will appeal both to informed generalists and to students and scholars of Europe who seek analyses of these issues in Eastern, central and Western Europe from a wide range of perspectives. At a time when the future of Europe is looking more uncertain than it has for decades, this book is both timely and thought-provoking.

Europeanisation and Renationalisation Anne Jenichen, Ulrike Liebert, 2019-07-15 The book explores how the European Union and its members have been renegotiating Europeanisation and renationalization in response to the multiple crises they faced over recent years. The authors highlight varying understandings of 'crises' in different national and supranational policy and institutional contexts. They show how in some cases these have challenged the legitimacy of European Union norms and institutions and even triggered disintegration, while in others these crises have served as sources of inspiration for European social innovation and political development.

Treaty on the Functioning of the European Union - A Commentary Hermann-Josef Blanke, Stelio Mangiameli, 2021-05-31 The Commentary on the Treaty on the Functioning of the European Union (four volumes) is a major European project that aims to contribute to the development of ever closer conceptual and dogmatic standpoints with regard to the creation of "Europeanised research on Union law". Following on from the Commentary on the Treaty of the European Union, this book presents detailed explanations, article by article, of all the provisions of the TFEU, discussing the application of Union law in the national legal orders and its interpretation by the Court of Justice of the EU. The authors are academics and practitioners from twenty-eight European states and different legal fields, some from a constitutional law background, others experts in the field of international law and EU law. Reflecting the various approaches to European legal culture, this book promotes a system concept of European Union law toward more unity notwithstanding its rich diversity grounded in national traditions.

I grandi gruppi bancari: formazione, sviluppo e crisi Roberto Bottiglia, 2009

Religion, Politics and Law in the European Union Lucian N. Leustean, John T.S. Madeley, 2013-09-13 EU enlargement - to countries in Central and Eastern Europe in 2004, the inclusion of Bulgaria and Romania in 2007, and increasing debates on Turkey's membership - has dramatically transformed the European Union into a multi-religious space. Religious communities are not only shaping identities but are also influential factors in political discourse. This edited volume examines the activities of religious actors in the context of supranational European institutions and the ways in which they have responded to the idea of Europe at local and international levels. By bringing together scholars working in political science, history, law and sociology, this volume analyses key religious factors in contemporary EU architecture, such as the transformation of religious identities, the role of political and religious leaders, EU legislation on religion, and, the activities of religious lobbies. This book was published as a special issue of Religion, State and Society.

The European Union after Lisbon Hermann-Josef Blanke, Stelio Mangiameli, 2011-10-12 The book contains 24 contributions from European law scholars and practitioners analysing the constitutional basis of the European Union and the normative orientation of the Common Foreign and Security Policy (CFSP) as well as the central economic and monetary provisions (TFEU) after the Reform Treaty of Lisbon. Presenting the findings of a European research team, which is composed of authors from eight Member States, the publication underlines the aspiration of the editors to thoroughly analyse

the constitutional law of the European Union currently in force.

Europa neu denken Michael Fischer, Johannes Hahn, 2015-06-04 Europa neu zu denken setzt die Beantwortung der Frage voraus, welches Europa wir eigentlich wollen. Die Zukunft ist nicht etwas, das sich ohne unser Zutun quasi von selbst ereignet. Sie ist vielmehr etwas, das erst durch unser eigenes Mitwirken, durch unser Wissen und Nichtwissen, unsere Hoffnungen und Befürchtungen Gestalt annehmen kann. Die einzelnen Beiträge sind überarbeitete Fassungen zweier Tagungen, die in Triest stattfanden. Drei Problembereiche werden diskutiert: Das Laboratorium Europa, Europäische Künste, Erzählungen, Sprachen sowie Europäische Lebenswelt und Raum. Dabei spielt die Dialektik von Herkunft und Zukunft sowie die Kreativität von Widersprüchen und Synergien eine große Rolle. Mit Beiträgen von Henning Ottmann, Helga Rabl-Stadler, Hedwig Kainberger, Rut Bernardi, Claudio Magris, Volker Gerhardt, Christiane Feuerstein, Blanka Stipetic u.v.m.

This Captivating World of E-book Books: A Detailed Guide Unveiling the Advantages of E-book Books: A Realm of Convenience and Versatility Kindle books, with their inherent portability and simplicity of availability, have liberated readers from the limitations of hardcopy books. Gruppi Europei Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gruppi Europei has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gruppi Europei has opened up a world of possibilities. Downloading Gruppi Europei provides numerous advantages over physical copies of books and documents. Firstly, it is

incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gruppi Europei has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gruppi Europei. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers

access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gruppi Europei. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gruppi Europei, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gruppi Europei has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gruppi Europei Books

1. Where can I buy Gruppi Europei books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
