direction, then *How to Develop Your Local Church* can help you decide which path to follow. Written by an experienced practitioner, it will help you to understand your congregation better: how it operates, what its members take for granted, what their priorities are and what the 'character' of the congregation is. The book then explains some of the reasons for frustration and conflict in church life, and points to positive ways forward, giving guidance on planning and decision-making. Just as no two churches are the same, there is no 'one-size-fits-all' answer to how your church might develop. Rather, it is only by drawing upon the collective wisdom of the local congregation that worthwhile change will begin to happen.

How To Clear The Negative Ego Joshua Stone,2001-02-07 There is no more important lesson in life to understand, then it is your thoughts that create your reality! Your thoughts create your feelings, emotions, behavior and what you attract and magnetize into your life. Many people think that we see with our eyes. The truth is we see through our consciousness, minds and belief system! There are in truth only two philosophies and feelings and emotions in life. The philosophy and feeling of fear, and the philosophy and feeling of Love. The key to realizing God is to only think and feel from your Love based/Spiritual/Christ/Buddha mind. This is why the Bible states, Let this mind be in you that was in Christ Jesus! It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery, centeredness, unconditional love, joy, peace, forgiveness, nonjudgmentalness and equanimity at all times!

My name is Nick Vulich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold.
