La Buona Scuola. Sguardi critici dal Documento alla Legge Massimo Baldacci, Beniamino Brocca, Franco Frabboni, Arduino Salatin, 2016-01-07T00:00:00+01:00 1420.1.165

La buona scuola Enzo Spaltro, 1997

Organizzazione e legislazione scolastica dopo la buona scuola Rosanna S. Calvino, 2015

La buona scuola Fabio Petracci, 2015-07-15 L'opera dopo una generale esposizione di come la riforma avviata vada ad incidere sul mondo della scuola, la sua vita e le sue regole, approfondisce la posizione del personale docente dopo la riforma, per quanto attiene il reclutamento anche straordinario, la determinazione della prestazione e del rapporto di lavoro, i poteri del dirigente, cercando di individuare quali saranno in futuro gli sviluppi della scuola e di questa importante professione al bivio tra una auspicata riqualificazione in termini economici e di status ed una accentuata sindacalizzazione che ne costituisce da un lato la forza, e dall'altro forse un limite verso il riconoscimento di una figura specifica di professionista dipendente.

La buona scuola Valerio Di Stefano, 2023-02-08 Quando un docente disarmato incontra un alunno con la pistola il docente è un uomo morto.

La buona scuola Rachele Furfaro, 2022-08-30T00:00:00+02:00 La scuola italiana oggi è in stallo. In una società sempre più dura nei confronti di chi ha meno mezzi e dunque sempre più destinata alla disuguaglianza, la scuola non riesce più a svolgere il suo compito educativo. Per chi è nato in un quartiere che somiglia a un ghetto o in un territorio isolato e degradato, pensare con libertà al proprio futuro è difficile. E il sistema di formazione è ancora fermo a un modello rigido, che ostacola la mobilità sociale e impedisce la crescita culturale ed economica del nostro Paese, dividendo in modo classista il Nord dal Sud e dalle isole. Crescere nella fragilità sociale significa avere meno opportunità di coltivare sogni e desideri. La sfida che abbiamo di fronte è epocale. Rachele Furfaro ha creato un modello nuovo, con l'idea di rispondere alle esigenze del mondo contemporaneo. L'educazione non è un processo di trasmissione di conoscenze indiscutibili, di saperi prefabbricati, assoluti e immutabili, separati dalle esperienze di vita dei bambini e dei ragazzi. La scuola deve essere capace di ascolto, di attenzione al singolo e alla comunità, per renderla accogliente e inclusiva. È un luogo di partecipazione civile, di condivisione

e anche di gioco. “È un presidio indispensabile e vitale,” scrive Furfaro, “perché rappresenta l’unico reale laboratorio di contaminazione sociale e culturale dove le diversità continuano a incontrarsi, a dialogare e a costruire insieme il proprio futuro.” L’Italia ha una lunga storia di riforme, che hanno cercato di migliorare l’istituzione scolastica ma hanno lasciato dietro di sé errori, lacune e contraddizioni. Questo libro racconta una scuola buona per davvero, finalmente capace di contribuire alla costruzione del nostro futuro.

La buona scuola: introduzione alla riforma dell'istruzione italiana Vittorio Capuzza, Eugenio Picozza, Nausicaa Spirito, 2016-04-14

La Buona Scuola va! Matteo Alfredo Bocchetti, 2016-06-21 Un libro attuale, di interesse scolastico, sindacale e politico dove l’Autore esamina le tante critiche fatte dai Sindacati a “La Buona Scuola” progettata dalla legge 107 del 13 luglio 2015. In risalto le contraddizioni delle varie contestazioni come anche l’infondatezza pedagogica delle critiche e delle richieste. Preoccupante la resistenza al cambiamento che i Sindacati oppongono in un’epoca in cui tutti i Paesi dell’OCSE avanzano nelle riforme scolastiche per rispondere adeguatamente alle nuove istanze sociali, produttive e occupazionali.

La buona scuola. Contributi e idee per un'applicazione di buon senso della Legge 107/2015 V. De Feo, A. Petrolino, 2015

Professionalità docente per la buona scuola Nicola Serio, Luciano Lelli, 2016-05-17 Il volume, pubblicato nell’imminenza dello svolgimento del concorso a cattedre, prende le mosse del programma d’esame incluso nel bando, trattando in particolare le problematiche descritte nelle “Avvertenze generali”. Esso, mediante interventi di noti esperti delle molteplici questioni considerate, delinea un percorso tendenzialmente sistematico delle competenze culturali, pedagogiche e metodologico-didattiche dalle quali i docenti delle scuole di ogni ordine e grado non possono attualmente prescindere.

LA BUONA SCUOLA? Storie di docenti e di studenti tra i banchi delle scuole Francesco Primerano, 2017-01-19 Buona o cattiva scuola? Questo è il vero dilemma. In questi ultimi tempi non si parla d'altro. Sarà meglio la scuola del passato o quella attuale con tutte le sue difficoltà e le sue mille sfumature? A questi interrogativi, quesiti o domande si potrebbero trovare delle risposte adeguate attraverso le varie storie vissute in prima persona da docenti e studenti tra i banchi degli Istituti italiani. In quest'opera si vogliono raccontare anche le esperienze di un artista che si cimenta a svolgere l'attività di insegnante con grande verve e umiltà, dimostrandosi sempre disponibile ed aperto verso il prossimo. L'autore vuol semplicemente mettersi a nudo, raccontando tutto ciò che si è potuto attuare all'interno delle scuole, facendo notare, a volte, il suo lato di giovane artista che si avvicina alle esigenze e ai vari interessi dei ragazzi stessi. Si può trattare di un vero e proprio viaggio nel mondo delle scuole, tra cultura, musica, cinema, teatro, selfie, social network, valori, sogni, speranze e ideali.

La buona scuola. Una riforma incompiuta? Luciano Pazzaglia, 2016

Criticità e opportunità della riforma della “Buona scuola”: una riflessione sociologica Antonio

Cocozza,2016-06-21T00:00:00+02:00 Le politiche di riforma della scuola hanno rappresentato storicamente un mondo vitale complesso, tendenzialmente critico, in cui convergono rilevanti attese politiche, importanti funzioni pubbliche, significativi interessi collettivi e fondamentali aspettative personali. Un ambito sociale particolarmente sensibile, poiché, come sostiene Giddens: “Nei Paesi industrializzati l'istruzione è una delle questioni di maggiore rilievo sia per i politici sia per i cittadini. Il sistema scolastico svolge un ruolo determinante nella socializzazione dei ragazzi, nella promozione delle pari opportunità, nella formazione professionale e nella creazione di una cittadinanza informata e attiva”. Un mondo vitale, dunque, strategico per lo sviluppo di un Paese, per il mantenimento di un'adequata coesione comunitaria e per la crescita della partecipazione democratica ai processi economici, sociali e culturali.

La buona scuola Italo Fiorin,2008

La normativa inclusiva nella nuova legge di riforma sulla “buona scuola” Salvatore Nocera,Nicola Tagliani,2015-07-16 Lo scritto è orientato ad illustrare le novità contenute nella legge incidenti sui poteri dei dirigenti scolastici, sull'organico delle scuole, sul dovere di aggiornamento dei docenti, sulla loro valutazione, sul bonus e sulla tessera da 500 Euro annui loro spettanti, sugli sgravi fiscali per i frequentanti le scuole paritarie, sull'obbligo di centinaia di ore di alternanza scuola-lavoro, sulle immissioni in ruolo e sulla delega per il miglioramento dell'inclusione scolastica. Il tutto inquadrato nel contesto di contestazione culturale e politica che ha accompagnato l'iter della legge.

La buona scuola. Legge n. 107 del 2015 commentata e legislazione scolastica a confronto Max Bruschi,2015

La buona scuola Elda Biagi,2020-11-30 Un dialogo incessante, quello della protagonista Nilde, docente in un Liceo, tra lei e i suoi alunni: li indirizza a ragionamenti profondi ed intimi lottando contro la superficialità di pensiero e la pochezza d'espressione, verbale e scritta, che caratterizza i nostri tempi. È, insieme, un confronto continuo con i genitori, i colleghi, i presidi di ieri e di oggi. In una serie sistematica di rimandi e flashback, la protagonista si rapporta, infatti, costantemente con il proprio passato di giovane insegnante di alunni difficili in una media dell'hinterland milanese, e con la sua stessa vicenda di scolara e studentessa “precaria” di una scuola che escludeva gli imperfetti, quelli che, per esempio, si muovevano in carrozzina. Una lettura piacevole, scorrevole e a tratti ironica che ci mostra un'evoluzione della scuola da istituzione in divenire e capace di cambiare la realtà degli alunni, a un organismo che rincorre freneticamente le mode per attirare l'utenza, “navigando a vista”. Elda Biagi. Laureata alla Cattolica di Milano nel '77, ha insegnato per più di quarant'anni nella scuola di Stato: alle Medie e al Liceo Scientifico. Ha pubblicato, in anni remoti, un derivato della sua tesi in Storia Medievale e una breve silloge di poesie per un'editrice fiorentina; in anni più recenti, ha scritto il racconto lungo Purché non accendano la luce, edito da Raffaelli nel 2005; ha ideato Iana, Corso di Latino per Licei, scritto con A.M. Braga ed E. Brambilla e pubblicato da Archimede e, nel 2013, Un Dio da uomini, saggio sulla figura e l'opera del teologo Amilcare Giudici.

Attualmente in pensione, vive fra San Giuliano Milanese e Cattolica.

La «buona scuola». Analisi critica e commento della legge Pietro Boccia,2015

La buona scuola Chiara Palladino,2015

La Buona Scuola: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. La Buona Scuola : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. La Buona Scuola : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
