Lo dimostrano le caratteristiche delle tre capitali, egualmente affascinanti nella loro unicit : la maestosit  medievale di Tallinn, la raffinatezza art nouveau di Riga, l'esuberanza barocca di Vilnius" (Peter Dragicevich, autore Lonely Planet).

Reparti corazzati delle repubbliche baltiche Estonia-Lettonia-Lituania Carlo Cucut,2022-03-28 Dopo aver dichiarato l'indipendenza nel corso del 1918, le neonate forze armate dell'Estonia, della Lettonia e della Lituania riuscirono a sconfiggere l'Armata Rossa. Durante la guerra furono costituiti i primi reparti corazzati, dotati di mezzi conquistati al nemico o consegnati dai britannici. Terminato il conflitto, quei reparti iniziali vennero potenziati con l'acquisto di carri armati e autoblindo, fino a costituire delle componenti blindo-corazzate successivamente inglobate dai sovietici nel 1940, dopo l'annessione all'Unione Sovietica.

Latvia Mara Kalnins, 2015-01-04 The history of the Latvian people begins some four and a half millennia ago with the arrival of the proto-Baltic Indo-Europeans to northern Europe. One branch of these migrants coalesced into a community which evolved a distinctive and remarkably robust culture and language, and which eventually developed into a loose federation of tribal kingdoms that stretched from the shores of the Baltic sea to the upper Dniepr river. But these small independent kingdoms were unable to resist the later invasion of the Teutonic Knights in 1201, an invasion that initiated nearly eight hundred years of helotry for the Latvians in their own domains. In the centuries of domination by successive European powers that followed, the inhabitants nonetheless preserved a powerful sense of identity, fostered by their ancient language, oral literature, songs and customs. These in turn informed and gave impetus to the rise of national consciousness in the nineteenth century and the political activities of the twentieth which brought the modern nation-state of Latvia into being. This book traces the genesis and growth of that nation, its endurance over centuries of conquest and oppression, the process by which it achieved its independence, and its status as a member of the European community in the twenty-first century.

Ritorno in Lettonia Marina Jarre, 2023-05-11 A settant'anni, dopo sessanta trascorsi in Italia, Marina Jarre torna nella natia Lettonia, la magica terra dell'infanzia e del ricordo, ma forse non della memoria: perché anche in essa del padre lontano e della sua tragica fine nell'autunno del 1941, insieme agli altri ebrei del ghetto di Riga, sono rimaste pochissime tracce. Tornare significa dunque intraprendere un viaggio verso tutto ciò che non è stato, ripercorrendo a ritroso gli ultimi passi di un'intera comunità e i propri, quelli di una bambina mezza italiana, mezza ebrea, che parlava tedesco e si considerava lettone. E forse ritrovare un'ombra dello splendido intreccio di storie e sangue diversi che era una delle grandi ricchezze d'Europa e che la seconda guerra mondiale spazzò via per sempre.
