Fritz Wunderlich Werner Pfister,2015-02-11 Als Fritz Wunderlich 1930 im nordpfälzischen Kusel geboren wurde, konnte niemand ahnen, dass einer der größten Sänger des 20. Jahrhunderts das Licht der Welt erblickt hatte. Seine ungewöhnliche musikalische Begabung, die schon früh von seinen Eltern gefördert wurde, ließ kaum einen Zweifel an seiner späteren Berufung aufkommen. Nach dem Gesangsstudium eroberte er innerhalb weniger Jahre die Opernhäuser und Konzertsäle Europas und wurde der bedeutendste deutschsprachige lyrische Tenor seiner Zeit. Zum 80. Geburtstag dieses viel zu früh verstorbenen Sängers wird die erfolgreiche Biografie von Werner Pfister in Überarbeitung neu als Taschenbuch aufgelegt. Es ist dank der objektiven, engagierten und kritischen Schilderungen noch immer das maßgebende Werk zu Wunderlichs Leben.

Mario Lanza Derek Mannering,2015-02-12 Blessed with one of the great tenor voices of all time, Mario Lanza (1921-1959) rose to spectacular heights in a film, recording, and concert career that spanned little more than a decade. Groomed at the outset for a career on the opera stage, Lanza instead flourished in Hollywood where his films, most notably *The Great Caruso*, broke box-office records the world over and influenced the careers of countless musicians. To this day, the Three Tenors cite him as an inspiration for their own careers on the classical stage. Lanza's recordings for RCA sold in the millions, and he remains the crossover artist supreme. But his tremendous success was derailed by his self-destructive lifestyle, and by age thirty-eight he was dead, with his extraordinary promise left unfulfilled. Newly revised and updated for its first U.S. edition, *Mario Lanza: Singing to the Gods* is the definitive account of the remarkable life and times of one of the twentieth century's most beloved singing stars. This richly detailed work also contains a selection of rare photographs, several of which are drawn from Lanza's estate. With the support of Lanza's daughter, Ellisa Lanza Bregman, the tenor's colleagues, and his closest friend, Terry Robinson, Derek Mannering has chronicled a fascinating and unforgettable life. From the fabulous successes of the early MGM years through the disastrous walkouts and cancellations that sent Lanza's career into freefall, Mannering objectively and movingly reveals the story of a great star torn apart by his own troubled psyche and undisciplined lifestyle.

Giovanni Battista Rubini and the Bel Canto Tenors Dan H. Marek,2013-06-06 Giovanni Battista Rubini (1794-1854) was a legendary tenor and the first 19th-century non-castrati male singer to become an international star of opera. The previous two centuries had been the era of the castrati, with tenors and basses relegated to character and supporting roles in

the operas of their time. Rubini stood apart because he not only matched the castrati in coloratura and pathos, but he also had an extraordinarily high voice. With Rubini's rise, and in his wake, several tenors came to sing roles written specifically for them by Rossini, Bellini, Donizetti, and many other lesser-known bel canto composers. Signaling the end of the dominance of castrati on stage, this period would last some 40 years until the advent of Grand Opera, Wagner, and Verdi and the appearance of the first so-called High C from the chest by Gilbert-Louis Duprez in 1837. Since then, the accepted tenor sound has followed the tradition epitomized by Enrico Caruso and, in our own era, Luciano Pavarotti and Placido Domingo. Many composers, conductor, and performers would come to regard bel canto dramatic operas as decorative and vapid until Maria Callas and Tulio Serafin demonstrated the heights this genre of opera could reach. However, opera directors and opera performers of late who have expressed an interest in reviving selected masterpieces from the bel canto tradition have found themselves confronted with the problem of locating tenors versed in the vocal techniques necessary to carry the high tessituras. In *Giovanni Battista Rubini and the Bel Canto Tenors: History and Technique*, Dan H. Marek explores the extraordinary life of Rubini in order to frame this special period in the history of opera and connect the technique of the castrati who were among Rubini's instructors. Drawing on the work of Berton Coffin, Marek offers long-sought answers to the challenges presented by high tessitura of bel canto operas for tenors. To further assist working singers, *Giovanni Battista Rubini and the Bel Canto Tenors* includes over 60 pages of exercises written by Rubini himself before 1840, which Marek, for the first time ever has adapted to acoustical phonetics. Professional singers, teachers and their students, vocal coaches, and opera conductors will find this work indispensable as the only English-language work on high tessitura for tenor and soprano singing.
