**Die Schwestern der Villa Fiore 2** Constanze Wilken,2020-02-17 Das Restaurant Fiore ist Bianca Massinellis ganzer Stolz. Mit viel Herzblut hat sie das Lokal, das zum Weingut ihrer Familie gehört, aufgebaut und zum Geheimtipp gemacht. Doch dann kündigt ausgerechnet ihr Chefkoch, als ein Reisemagazin über das Restaurant berichten will. Hilfe naht von unerwarteter Seite: Nando Branconi, einer der Hotelgäste, springt spontan ein. Er kann nicht nur hervorragend kochen, sondern sieht auch gut aus, weshalb sich Biancas Mitarbeiterin Elena schon bald in ihn verliebt. Nando hat jedoch nur Augen für Bianca. Als die beiden sich näherkommen, droht die eifersüchtige Elena das Fiore zu ruinieren ...

Geschichte Italiens im 20. Jahrhundert Hans Woller,2010

*Circadian Lighting Design in the LED Era* Maurizio Rossi,2019-02-06 This book explores how lighting systems based on LED sources have the ability to positively influence the human circadian system, with benefits for health and well-being. The opening chapters examine the functioning of the human circadian system, its response to artificial lighting, potential health impacts of different types of light exposure, and current researches in circadian photometry. A first case study analyzes the natural lighting available in an urban interior, concluding that it is unable to activate the human circadian system over the entire year. Important original research is then described in which systems suitable for artificial circadian lighting in residential interiors and offices were developed after testing of new design paradigms based on LED sources. Readers will also find a detailed analysis of the LED products available or under development globally that may contribute to optimal artificial circadian lighting, as well as the environmental sensors, control interfaces, and monitoring systems suitable for integration with new LED lighting systems. Finally, guidelines for circadian lighting design are proposed, with identification of key requirements.

*Über Grenzen* Agnes Bresselau von Bressensdorf,2019-08-12 Globale Migrations- und Fluchtbewegungen prägen gegenwärtig politische, gesellschaftliche und wissenschaftliche Debatten. Bildete Europa am Ende des Zweiten Weltkriegs eine der größten flüchtlingsgenerierenden Regionen, steht es heute vor allem als Ziel weltweiter Migration im Fokus. Der

Sammelband bietet auf aktuellem Forschungsstand ein breites Panorama an zeithistorischen, politik- und sozialwissenschaftlichen Beiträgen. Sie diskutieren kontroverse Begriffe wie »Arbeits- und Wirtschaftsmigration«, »Zwangsmigration« und »politische Flucht«, analysieren Netzwerke, Infrastrukturen und Akteure verschiedener Migrationsregime und fragen nach Konzepten und Praktiken politischer Steuerung. Mit Fallbeispielen zu Europa, Nord-, Mittel- und Südamerika, zu Afrika, Asien und dem Nahen Osten vom Zweiten Weltkrieg bis in die Gegenwart leistet der Band einen fundierten und facettenreichen Beitrag zu einem hochaktuellen Forschungsfeld.

**Nacht unter Tag** Val McDermid, 2009-10-02 Der zweite Cold Case für DCI Karen Pirie: ein psychologisch ausgefeilter und atmosphärisch dichter Krimi von der schottischen Bestseller-Queen Val McDermid Das Verschwinden von Mick Prentice gibt Detective Inspector Karen Pirie Rätsel auf: Micks Tochter meldet ihn nach über zwanzig Jahren vermisst – doch aus der Familie des Bergarbeiters ist nicht viel herauszukriegen. Und auch bei dem steinreichen Sir Brodie, dessen Tochter damals zur selben Zeit zusammen mit ihrem Neugeborenen entführt wurde, stößt Karen auf eine Mauer des Schweigens. Allmählich kommt ihr der Verdacht, dass dies kein Zufall ist ... Die schottische Bestseller-Autorin Val McDermid beweist auch mit »Nacht unter Tag«, dass sie »eine Meisterin ihres Fachs ist« (NDR). Wie in den anderen Bänden der Krimi-Reihe mit Karen Pirie wird ein Verbrechen in der Gegenwart mit einem Cold Case verknüpft, der weit in die Vergangenheit zurückweist. »Ein packendes und intelligentes Krimi-Drama rund um die Themen Freundschaft, Schuld und Moral.« – SPIEGEL SPEZIAL Die Krimi-Reihe mit DCI Karen Pirie ist in folgender Reihenfolge erschienen: Echo einer Winternacht Nacht unter Tag Der lange Atem der Vergangenheit Der Sinn des Todes Das Grab im Moor

*Political Parties and Democracy* Larry Diamond, Richard Gunther, 2001-12-21 Political parties are one of the core institutions of democracy. But in democracies around the world—rich and poor, Western and non-Western—there is growing evidence of low or declining public confidence in parties. In membership, organization, and popular involvement and commitment, political parties are not what they used to be. But are they in decline, or are they simply changing their forms and functions? In contrast to authors of most previous works on political parties, which tend to focus exclusively on long-established Western democracies, the contributors to this volume cover many regions of the world. Theoretically, they consider the essential functions that political parties perform in democracy and the different types of parties. Historically, they trace the emergence of parties in Western democracies and the transformation of party cleavage in recent decades. Empirically, they analyze the changing character of parties and party systems in postcommunist Europe, Latin America, and five individual countries that have witnessed significant change: Italy, Japan, Taiwan, India, and Turkey. As the authors show, political parties are now only one of many vehicles for the representation of interests, but they remain essential for recruiting leaders, structuring electoral choice, and organizing government. To the extent that parties are weak and discredited, the health of democracy will be seriously impaired. Contributors: Larry Diamond and Richard Gunther • Hans Daalder • Philippe

Schmitter • Seymour Martin Lipset • Giovanni Sartori • Bradley Richardson • Herbert Kitschelt • Michael Coppedge • Ergun Ozbudun • Yun-han Chu • Leonardo Morlino • Ashutosh Varshney and E. Sridharan • Stefano Bartolini and Peter Mair.

Jugend – Gewalt Meike Sophia Baader, Till Kössler, Dirk Schumann, 2023-10-09 Die Beiträge des Bandes befassen sich mit (physischer wie anderer) Gewalt, die von Jugendlichen ausgeübt oder ihnen von Erwachsenen etwa in Schulen und Fürsorgeheimen zugefügt wurde. Sie zeigen, dass solche erfahrene wie diskursiv verarbeitete Gewalt nur dann angemessen verstanden werden kann, wenn sie in einen größeren gesellschaftlichen Kontext gestellt wird – sei es hinsichtlich der Frage nach Wehrhaftigkeit, moralisch angemessenem Verhalten oder nach Generationen- und Geschlechterverhältnissen. Zugleich wird erkennbar, dass es zwar über das 20. Jahrhundert hinweg grundsätzlich eine Tendenz zu erhöhter Sensibilisierung für Gewalt und zu ihrer negativen Bewertung gab, abgeschottete Räume mit starkem Autoritätsgefälle dabei aber eine bemerkenswerte Veränderungsresistenz aufwiesen. The contributions in this volume deal with violence (physical and other types of violence) performed by young adults or inflicted on them by adults, e. g. in schools and foster homes. The contributions show that such experienced and discursively processed violence can only be understood correctly, if it is placed in a larger social context – be it with regard to defensibility, morally appropriate behaviour or generational and gender relations. Despite a general tendency towards an increased awareness of violence and its negative evaluation throughout the 20th century, it becomes obvious that isolated spaces with strong hierarchies showed a remarkable resistance to change.

**Die Stadt als beschriebener Raum** Fanny Opdenhoff, 2021-03-08 Die Präsenz von Schrift war ein integraler Bestandteil des öffentlichen Raumes römischer Städte. In den Stätten um den Vesuv sind nicht nur Stein- und Metallinschriften, sondern auch Graffiti und Dipinti in großer Zahl überliefert und bieten so einzigartige Einblicke in die Bandbreite der Schreib- und Rezeptionspraktiken. Zu mehreren, vor allem inhaltlich klar umgrenzten Teilbereichen der epigraphischen Zeugnisse in Pompeji und Herculaneum liegen bereits ertragreiche Publikationen vor. Der Aspekt des Kontextes und die archäologische Integration in den architektonischen und urbanen Befund des Straßenraumes bleibt dabei jedoch meist außen vor. Hier setzt die vorliegende Arbeit an, um die verschiedenen Inschriften als zeit- und raumspezifische Artefakte verständlich zu machen. Im Zentrum stehen das Vorgehen und Verhalten der Schreiber, Leser und Betrachter, die kommunikativen Funktionen und die Rezeption von Inschriften im öffentlichen Raum, die Beziehung zwischen Form und Inhalt der Inschriften sowie deren Kontexte, mit ihnen verknüpfte Praktiken ihre Wahrnehmung.

Cercanno Leggerezza Maurizio Rossi, 2017-01-03 Il titolo Cercanno leggerezza e la copertina predispongono ad assaporare il testo con un senso di serenità. Le fotografie, scattate dall'autore, con gran cura della luce e del colore, ci dicono dell'amore per la natura, animali e fiori, per le marine, e per gli oggetti antichi come la suggestiva porta con scritto barbiere. Dunque abbiamo dinanzi un autore che osserva il mondo che lo circonda, anzi va a cercarvi ciò che lo interessa e gli dà rilievo. La realtà dunque non è qui una metafora, ma è palpabile al punto che sollecita i sensi e li acuisce. (Laura Raineri)

**Die bleiernen Jahre** Johannes Hürter, Gian Enrico Rusconi, 2012-10-31 Zwei Staaten, ein Problem. Nirgendwo in Europa verübten linksextreme Terroristen während der 1970er Jahre so viele blutige Attentate wie in Italien und in der Bundesrepublik. Südlich der Alpen verschärften neofaschistische Anschläge die Lage noch. Die beiden jungen Demokratien sahen sich gezwungen, auf diese militante Herausforderung zu reagieren. Die Interaktion von Terrorismus, Staat und Gesellschaft prägte ein Jahrzehnt, das in doppelter Hinsicht als bleiern empfunden wurde: wegen der drückenden Atmosphäre unter dem Primat der Inneren Sicherheit und wegen der Wiederkehr bewaffneter Gewalt in der politischen Auseinandersetzung. Wie wurde diese Krise bewältigt? Nahmen dabei der demokratische Staat und die liberale Gesellschaft Schaden? Ein vergleichender Blick auf beide Länder verspricht neue Antworten.

**Osterie d'Italia 2020 / 21** Slow Food Editore, 2020-02-04 Osterie d'Italia 2020/21 ist seit über 30 Jahren der konkurrenzlose kulinarische Reisebegleiter. **Terrorism in Context** Martha Crenshaw, 2010-11-01

*The Future of Design* Lorraine Justice, 2019-06-06 Creating a successful global product is complex. Why do some products survive or become reinvented? What makes a product loved by some and despised by others? What key issues were present when some of the most notable inventions and product designs occurred? Through interviews with successful product designers and inventors from around the world, and case studies of products from their local inception to their global success, *The Future of Design* will answer these important questions and provide a robust framework for activating innovative thinking that goes beyond Western approaches to creativity and innovation.

European Democracies Against Terrorism Reinares Fernando, 2019-07-15 This title was first published in 2000. In this multidisciplinary volume, contributors critically assess the different measures designed and implemented by western European democratic governments since the late 1960s in order to counter the challenge of terrorism. The work also analyzes the problems and perspectives surrounding intergovernmental co-operation against such evolving phenomenon, as developed within the framework of the European Union.

**Italy in Transition** Peter Lange, Sidney Tarrow, 2012-11-12 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and

despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Future of Christian Marriage Mark Regnerus, 2020-08-01 Marriage has come a long way since biblical times. Women are no longer property, and practices like polygamy have long been rejected. The world is wealthier, healthier, and more able to find and form relationships than ever. So why are Christian congregations doing more burying than marrying today? Explanations for the recession in marriage range from the mathematical--more women in church than men--to the economic, and from the availability of sex to progressive politics. But perhaps marriage hasn't really changed at all. Instead, there is simply less interest in marriage in an era marked by technology, gender equality, and secularization. Mark Regnerus explores how today's Christians find a mate within a faith that esteems marriage but in a world that increasingly yawns at it. This book draws on in-depth interviews with nearly two hundred young-adult Christians from the United States, Mexico, Spain, Poland, Russia, Lebanon, and Nigeria, in order to understand the state of matrimony in global Christian circles today. Regnerus finds that marriage has become less of a foundation for a couple to build upon and more of a capstone. Meeting increasingly high expectations of marriage is difficult, though, in a free market whose logic reaches deep into the home today. The result is endemic uncertainty, slowing relationship maturation, and stalling marriage. But plenty of Christians innovate, resist, and wed, and this book argues that the future of marriage will be a religious one.
