

# Open Government Partnership

**Ralf Laumer**

[The Power of Partnership in Open Government](#) Suzanne J. Piotrowski, Daniel Berliner, Alex Ingrams, 2022-12-06 What the Open Government Partnership tells us about how international initiatives can and do shape domestic public sector reform. At the 2011 meeting of the UN General Assembly, the governments of eight nations—Brazil, Indonesia, Mexico, Norway, Philippines, South Africa, the United Kingdom, and the United States—launched the Open Government Partnership, a multilateral initiative aimed at promoting transparency, empowering citizens, fighting corruption, and harnessing new technologies to strengthen governance. At the time, many were concerned that the Open Government Partnership would end up toothless, offering only lip service to vague ideals and misguided cyber-optimism. The Power of Partnership in Open Government offers a close look, and a surprising affirmation, of the Open Government Partnership as an example of a successful transnational multistakeholder initiative that has indeed impacted policy and helped to produce progressive reform. By 2019 the Open Government Partnership had grown to 78 member countries and 20 subnational governments. Through a variety of methods—document analysis, interviews, process tracing, and quantitative analysis of secondary data—Suzanne J. Piotrowski, Daniel Berliner, and Alex Ingrams chart the Open Government Partnership’s effectiveness and evaluate what this reveals about the potential of international reform initiatives in general. Their work calls upon scholars and policymakers to reconsider the role of international institutions and, in doing so, to differentiate between direct and indirect pathways to transnational impact on domestic policy. The more nuanced and complex processes of the indirect pathway, they suggest, have considerable but often overlooked potential to shape policy norms and models, alter resources and opportunities, and forge new linkages and coalitions—in short, to drive the substantial changes that inspire initiatives like the Open Government Partnership.

**Deutschland in der Open Government Partnership** Pencho Kuzev, Maria Berndt, 2017

**Open Government** Jörn von Lucke, Katja Gollasch, 2022-05-13 Dieses Buch - eine Open-Access-Publikation mit freiem Online-Zugang - bietet Führungskräften und Mitarbeitenden im öffentlichen Sektor sowie Studierenden eine ebenso kompakte wie kompetente Einführung in die wesentlichen Aspekte von Open Government. Das Konzept Open Government (offenes Regierungs- und Verwaltungshandeln) beschreibt einen Kulturwandel von Politik und Verwaltung hin zu mehr Transparenz, Partizipation der Zivilgesellschaft und Zusammenarbeit innerhalb des öffentlichen Sektors als auch mit

Akteuren aus Wirtschaft und Wissenschaft. Durch die Digitalisierung und des Angebots offener Daten ergeben sich für Politik und Verwaltung neue Möglichkeiten der Interaktion und der Offenlegung von Entscheidungen. Das Buch bietet einen kompakten Einstieg in Themen wie Transparenz, Bürgerbeteiligung, Zusammenarbeit sowie der Öffnung von Datenbeständen. Ebenso wird die Teilnahme Deutschlands an der Open Government Partnership vorgestellt. Durch direkte Verlinkungen auf vorbildhafte Beispiele für ein offenes Regierungs- und Verwaltungshandeln in der Praxis sowie ein digitales Karteikartensystem wird umfangreiches Wissen anschaulich und zielgerecht vermittelt. Die Leser werden mit Leitbildern, Zielen und Methoden im Bereich Open Government vertraut gemacht und können diese kritisch reflektieren. Im Sinne von Offenheit ist dieses Werk eine Open-Access-Publikation mit freiem Online-Zugang. Aus dem Inhalt Open Government - Grundlagen eines offenen Regierungs- und Verwaltungshandelns Transparenz 2.0 Offene Daten und offene Verwaltungsdaten - Öffnung von Datenbeständen Open Budget - Öffnung des Haushaltswesens Bürgerbeteiligung 2.0 Zusammenarbeit 2.0 Aktivitäten Deutschlands in der Open Government Partnership Inklusive kostenlosem Online-Wissens-Quiz mit der Springer Nature Flashcards-App - laden Sie die App im App-Store; geben Sie den Code 7C174-C91BD-C687A-B7DAE-FE989 ein, um den Online-Quiz zu laden

**Open Government** Mila Gascó-Hernández, 2014-02-21 On January 2009, President Obama signed the Memorandum on Transparency and Open Government. The memorandum declares the new Administration's commitment to creating an unprecedented level of openness in Government and establishing a system linking three principles: transparency, public participation and collaboration. Since then, federal agencies in the United States and public administrations around the world have embarked on open government initiatives and have worked to redefine their relationship with citizens and with each other. On September 20th, 2011, eight governments gathered in New York City to launch the Open Government Partnership, a new multilateral initiative to promote open government. The benefits attributed to open government are many and by no means universally shared. They include the claims that open government leads to more effective decision making and services, safeguards against corruption, enables public scrutiny, and promotes citizens' trust in government. However, the speed of events and pressure to implement has given rise to confusion and ambiguity. Although many of the initiatives have been based on opening data and on promoting open action, governments have followed different directions and interpretations when it has come to implement them and development of open government has become unequal and heterogeneous. This book provides a comprehensive study of recent major developments of open government around the world, and analyzes the importance of open government efforts for public governance, making it of interest to academics and practitioners worldwide.

**Schriftenreihe The Open Government Institute | TOGI Zeppelin Universität Friedrichshafen/ Deutschland in der Open Government Partnership** Katja Gollasch, 2020

Open Government Göttrik Wewer, Till Wewer, 2019-04-01 Die Studie bietet einen Überblick, ob in den rund 70 Ländern, die sich bisher zu dem Leitbild eines „offeneren Regierens“ bekannt haben, in den letzten zehn Jahren demokratische Fortschritte zu erkennen sind. Nach den Protagonisten dieses Ansatzes – wie OECD, Barack Obama und der Open Government Partnership (OGP) – soll eine größere Offenheit von Regierung und Verwaltung kein Selbstzweck sein, sondern drei Ziele zu erreichen helfen: ein effektiveres Regieren, ein größeres Vertrauen der Regierten in die Regierenden und damit letztlich eine Stärkung der Demokratie. Wenn das gelingen sollte, dann wäre Open Government schon deshalb besonders interessant, weil derzeit wieder viel von einer „Krise der Demokratie“ die Rede ist. Der globale Überblick wird vertieft in fünf qualitativen Fallstudien, wie in Costa Rica, Neuseeland, Norwegen, Südafrika und Südkorea eine größere Offenheit beim Regieren und Verwalten interpretiert worden ist, und ergänzt durch eine Analyse der Motive, die Barack Obama veranlasst haben, mit der Open Government Partnership eine Plattform für Reformen aus aller Welt zu schaffen.

Kommunales Open Government Ralf Laumer, 2021-04-28 Was versteht man unter Open Government und wie funktioniert es in der kommunalpolitischen Praxis? Welche Erfahrungen haben Kommunen unter anderem in Modellprojekten gemacht – auch solche außerhalb Deutschlands – und welche Konsequenzen ergeben sich daraus für künftige Projekte? Und welche neuen Perspektiven ergeben sich für das Open Government durch die Digitalisierung? Der von Ralf Laumer, Leiter des Dezernatsbüros der Landrätin des Landkreises Marburg Biedenkopf, herausgegebene Sammelband bündelt Erfahrungen aus der Arbeit vor Ort und macht sie für interessierte Praktiker\_innen nutzbar. Die Beiträger\_innen kommen aus der kommunalen Praxis, den kommunalen Spitzenverbänden sowie Politik, Wissenschaft und Forschung. Mit einem Vorwort von Kirsten Fründt (Landrätin des Landkreis Marburg Biedenkopf).

*Open Government und Verwaltungsreform* Göttrik Wewer, 2020-05-12 Open Government soll nicht nur einen Kulturwandel in den Behörden herbeiführen, sondern auch zu einem besseren Service für die Bürgerinnen und Bürger führen. Ein offeneres Regieren und Verwalten ist insofern kein Selbstzweck, sondern ein Vehikel, um höhere Ziele zu erreichen wie ein allgemeines Wohlbefinden, eine Stärkung des Vertrauens in die Regierung oder eine Belebung der Demokratie. Untersucht wird, wie dieser Ansatz in Bund, Ländern und Gemeinden bisher interpretiert wurde und ob er dort als ein Instrument zur Modernisierung der Verwaltung verstanden worden ist. Um mehr Unterstützung zu bekommen, müssten sich die Bürgerinnen und Bürger, die Mitarbeiter in den Behörden und auch die Politiker in den Gemeinderäten und Parlamenten, die Ressourcen dafür bereitstellen sollen, jeweils einen Mehrwert davon versprechen, wenn sie sich auf den Weg begeben, offener zu werden. Ein solcher ist jedoch kaum zu erkennen.

**Open Government, Staat und Demokratie** Göttrik Wewer, 2014-12-01 Open Government gilt vielfach als die universale Staatsdoktrin für das 21. Jahrhundert, ohne dass schon klar wäre, was sich im Einzelnen hinter diesem Schlagwort verbirgt und was daraus für die Praxis des Regierens und Verwaltens folgt. In diesem Band untersucht der Autor alle

Bauteile dieser Konstruktion kritisch: das Paradigma der Offenheit, dem sich alles unterordnen soll, die drei Säulen Transparenz, Partizipation und Kollaboration, die das Ganze tragen sollen, aber auch die technischen und ideologischen Fundamente, auf denen das Modell ruht. Im Zentrum steht dabei stets die Frage, was Open Government für Staat und Demokratie hierzulande bedeuten würde. Im Ergebnis zeigt sich, dass dieses Konstrukt technokratische Züge trägt und aus einer »kalifornischen Ideologie« hervorgeht, die es erst noch politisch zu bewerten gilt. Wenn sowohl die Giganten des Internets als auch emphatische Aktivisten Open Government massiv propagieren, darf kritische Reflexion nicht auf der Strecke bleiben. Wewer bezweifelt, dass Open Government als Leitbild für das digitale Zeitalter taugt, dem im Prinzip alle Länder dieser Welt nacheifern könnten. Auch für die Erneuerung von Staat und Demokratie in Deutschland wirft es mehr Fragen auf, als es Antworten bietet.

*Open Government The Global Context and the Way Forward* OECD,2016-12-08 This report provides an in-depth, evidence-based analysis of open government initiatives and the challenges countries face in implementing and co-ordinating them.

OECD Public Governance Reviews Open Government in Latin America OECD,2014-11-17 This publication presents a stocktaking of open government strategies and practices in Latin American countries, allowing them to compare and benchmark against good international practice.

**OECD Public Governance Reviews Open Government in Tunisia** OECD,2016-02-08 The Open Government Review of Tunisia is the first of its kind analysing a country's open government policies and practices and their institutional and legal frameworks for implementation against OECD instruments. The analysis focuses on how public ...

**OECD Public Governance Reviews Open Government in Morocco** OECD,2015-08-27 The Open Government Review of Morocco analyses Morocco's open government policies and practices and their institutional and legal frameworks for implementation against OECD instruments and makes a series of recommendations.

**Open Data White Paper** Great Britain. Cabinet Office,2012-06-28 This White Paper sets out clearly how the UK will continue to unlock and seize the benefits of data sharing in the future in a responsible way. Firstly by ensuring equality in access to data; secondly in building greater trust in public data; and thirdly by ensuring that public services are more personalised and efficient by being smarter with the data public bodies hold. The UK is currently co-chairing the Open Government Partnership of 55 governments whose theme is 'Transparency drives prosperity' with the belief that opening up data will empower citizens, foster innovation and reform public services. It is also, therefore, about how others participate. About businesses and organisations becoming more transparent themselves and pushing data into the public domain and individuals taking that data and using it to make better decisions or press for different types of services.

**OECD Public Governance Reviews The Economic and Social Impact of Open Government Policy Recommendations for the Arab Countries** OECD, United Nations Economic and Social Commission for Western Asia, 2021-12-06 Despite progress, open government reforms remain uneven across the Arab region and are hampered by the ongoing effects of the COVID-19 pandemic. This report assesses the economic and social impact of open government based on experiences and good practices in OECD and Arab countries.

**Open Government in Latin America** Oecd, 2014-11-17 Latin American governments have embarked upon substantial open government reforms in recent years. Working with the Open Government Partnership (OGP), progress has been made. The OECD - as an official multilateral partner organisation of the OGP - has conducted a regional stocktaking exercise of open government strategies and practices. Its main findings are reflected in this report, allowing Latin American countries to compare and benchmark against good international practice.

*Open Government in Latin America* OECD. OCDE, 2014 Latin American governments have embarked upon substantial open government reforms in recent years. Working with the Open Government Partnership (OGP), progress has been made. The OECD - as an official multilateral partner organisation of the OGP - has conducted a regional stocktaking exercise of open government strategies and practices. Its main findings are reflected in this report, allowing Latin American countries to compare and benchmark against good international practice.

*Towards an Open Government in Kazakhstan* Organization for Economic Cooperation and Development, 2017 The government of Kazakhstan has shown a strong commitment to enhancing transparency, accountability and participation in the policy-making process, and has taken important steps towards implementing open government. However, further efforts are needed to ensure the success and long-term sustainability of Kazakhstan's open government reforms. This review provides an overview of the cultural, economic, historical and political context for open government reforms. It examines ongoing efforts, identifies the remaining challenges and assesses the measures put in place by Kazakhstan's authorities to address them in order to translate the reforms into tangible results. Finally, the report looks at the environment for effective citizen engagement and its potential to improve service delivery and policy making. It provides recommendations for concrete actions Kazakhstan can take to fully implement open government reforms.

**OECD Public Governance Reviews Lithuania: Fostering Open and Inclusive Policy Making** OECD, 2015-08-04 This review analyses open government principles and practices in Lithuania with the aim to support the government of Lithuania in its current and future public governance reforms.

### Open Government Partnership Introduction

Open Government Partnership Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Open Government Partnership Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Open Government Partnership : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Open Government Partnership : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Open Government Partnership Offers a diverse range of free eBooks across various genres. Open Government Partnership Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Open Government Partnership Provides a large selection of free eBooks in different genres, which are available for download in various

formats, including PDF. Finding specific Open Government Partnership, especially related to Open Government Partnership, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Open Government Partnership, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Open Government Partnership books or magazines might include. Look for these in online stores or libraries. Remember that while Open Government Partnership, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Open Government Partnership eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Open Government Partnership full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Open Government Partnership eBooks, including some popular titles.

## FAQs About Open Government Partnership Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Open Government Partnership is one of the best book in our library for free trial. We provide copy of Open Government Partnership in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Open Government Partnership. Where to download Open Government Partnership online for free? Are you looking for Open Government Partnership PDF? This is definitely going to save you time and cash in something you should think about.
