

# Partiti Europei

**Bernard Steunenberg, J. J. A. Thomassen**

**Europarties After Enlargement** E. Bressanelli, 2015-12-04 By comparing the importance of representative democracy to the EU as enshrined in the Lisbon Treaty with the political systems in the EU's newest member states, this study explores whether representative democracy can really exist in an enlarged EU and explores the constraints and opportunities for political parties operating in the EU.

**Der Beitrag der "Europarteien" zur Demokratisierung der Europäischen Union** Clemens Zur Hausen, 2008 Die europäischen Prozesse, den gemeinsamen Binnenmarkt und das Euro-Geld möchte kaum jemand missen. Bei der politischen Einigung kommt der Kontinent jedoch nicht vom Fleck. Stattdessen haben sich Klagen über ein unterschiedlich definiertes Demokratiedefizit, über eine fehlende europäische Öffentlichkeit und den Mangel an gemeinsamer Identität. Das Scheitern der Verfassung und das irische Nein zum Lissabon-Vertrag haben sie erst recht nicht verstummen lassen. Auch die Frage nach der Aufnahmeeligkeit der Europäischen Union für weitere Mitgliedstaaten drängt mehr denn je. Doch wie lässt sich der Knoten durchtrennen? Müssen nicht neue Akteure auf europäischer Bühne tätig werden, um die realen und gedachten Vorbehalte zu berwinden? Clemens zur Hausen untersucht, welchen Beitrag die europaweiten Partei-Bündnisse - kurz: Europarteien - dazu leisten können. Obgleich in der breiten Öffentlichkeit noch kaum bekannt, haben sie seit dem Vertrag von Maastricht den ambitionierten Auftrag, ein europäisches Bewusstsein herauszubilden und den politischen Willen der Bürger der Union zum Ausdruck zu bringen. Nach einem Überblick über die historische und organisatorische Entwicklung der vier wichtigsten Parteizusammenschlüsse steht die Frage im Vordergrund, ob und wie die Europarteien zentrale Akteure einer demokratischeren EU werden können, und welche Hindernisse und Herausforderungen auf dem Weg dorthin vor ihnen liegen.

*Auf dem Weg zu einer europäischen Parteiendemokratie* Thomas Poguntke, Heike Merten, Martin Morlok, 2013

Das Parteienrecht und der Strukturwandel im Parteiensystem Foroud Shirvani, 2010 Die politischen Parteien gehören zu den tragenden Eckpfeilern der demokratischen Grundordnung. Seit der Entstehung des Grundgesetzes haben die Parteien das Verfassungssystem nachhaltig geprägt. Dabei hat das deutsche Parteiensystem verschiedene Stadien durchschritten und war strukturellen Veränderungen ausgesetzt. Während der vergangenen Jahrzehnte hat sich zudem auf europäischer Ebene ein Parteiensystem herausgebildet. Beide Parteiensysteme sind bestrebt, sich auf die veränderten gesellschaftlichen, politischen, ökonomischen und medialen Kontextbedingungen einzustellen, weisen aber gleichwohl Funktions- und

Leistungsdefizite auf. Foroud Shirvani analysiert die einschlagigen Entwicklungen und zeigt die rechtsdogmatischen Konsequenzen fur die Parteienrechtslehre auf. Die Arbeit verfolgt das Ziel, einen Beitrag zur Ausdifferenzierung und Systematisierung des Parteienrechts zu leisten.

**Handbuch zum Europaischen Parlament** Doris Dialer, Andreas Maurer, Margarethe Richter, 2015 The European Parliament is the only directly legitimized institution of the European Union: a dynamic, truly supranational and more and more powerful actor. It negotiates on eye-level with the Council of Ministers, holds the European Commission effectively accountable, represents the aggregated interests, ideas and concerns of the Union's citizens, and supervises the development of the EU together with the national parliaments. As a global player the European Parliament deals with members of parliaments of third countries, negotiates international agreements and watches over the protection of human rights and democracy. The handbook offers as systematic and practical insight into all functions of the European Parliament. The analysis takes into account the specific conditions of the EU's institutional system; Parliament's functions are reviewed both within the interinstitutional context as well as on the basis of the internal rules and routines. The handbook therefore offers a comprehensive, theoretically sound and empirically supported insight into the constitutional reality of the European Parliament. It addresses scientists, students, politicians and practitioners of European Affairs.

**Party Politics and Democracy in Europe** Ferdinand Muller-Rommel, Fernando Casal Bértoa, 2015-08-11 This edited collection, in honour of the late political scientist Peter Mair, contains original chapters that are directly linked to his theoretical and/or methodological ideas and approaches. Peter Mair demonstrated that political parties have traditionally been central actors in European politics and an essential focus of comparative European political science. Though the nature of political parties and the manner in which they operate has been subject to significant change in recent decades, parties remain a crucial factor in the working of European liberal democracies. This volume analyses recent developments and current challenges that European parties, party systems and democracy face. The volume will be of key interest to students and scholars of comparative politics, democracy studies, political parties, and European politics and European Union studies.

**The European People's Party** T. Jansen, 1998-04-02 Describes the origins (since 1925), the foundation (1978) and the evolution (until today) of the 'European People's Party' and shows how political parties are vital to the integration process within the European Union. The book examines the emergence of a transnational party system to which the Christian Democrats contribute with the EPP alongside the Social Democrats (ESP) and the Liberal Democrats (ELDR). The analysis of the political, structural and programmatic development of the EPP shows clearly that European politics have become to a large extent domestic affairs and vice versa.

*Party Attitudes Towards the EU in the Member States* Nicolò Conti, 2013-12-04 In a moment where the EU is facing an important number of challenges, there is growing interest in understanding how parties influence the way Europe evolves as

a political issue, notably how parties structure domestic competition over European issues and they mobilise sentiments in referenda over European integration . This book examines the views of national parties towards the European Union and the different facets of a supranational citizenship. It provides an in-depth investigation into the variations to the cross-national patterns in ten countries, including old and new member states and different EU regions. Using original and innovative concepts, data and research techniques the authors: Explore whether parties formulate specific positions and preferences on the most particular aspects of the EU process. Investigate whether the party's stance could be inserted into more pro-European, or more Eurosceptical attitudes. Illustrate patterns of party contestation of the EU issues in the member states and explains these patterns in the light of the main theoretical arguments. Making an important contribution to party attitudes towards the EU and the Europeanisation of party politics, this book will be of interest to students and scholars of European politics, sociology, comparative politics, government and party politics

**Europe for the Europeans** Christina Schori Liang,2016-04-29 For the last two decades the number of political organizations on the far right, neo-populist right and neo-conservative right has been growing. Along with the mounting electoral success for many of the parties there has also been a growing disenchantment with the political class which has led to a revolt against the current political 'establishment'. The events of September 11, 2001 and the 'War on Terror' have further aggravated tensions within the populations between those who feel they are the 'legitimate' citizens of the state and those who are considered 'outsiders'. The recent expansion of the EU's borders has also brought on fears of a surge of both legal and illegal immigration. All these factors have led to a growing number of cases of harassment and outbursts of violence aimed at asylum seekers and ethnic minorities in Europe. This book measures the effects of neo-populist groups on the current political establishment and illustrates how much political appeal neo-populist views have on making current political policy.

**Europeanisation and Party Politics** Erol Külahci,2014-01-14 A sophisticated theoretical framework and up-to-date analysis of the Europeanisation of domestic party systems and political parties' policy stances. This book covers a range of contemporary topics: party systems, policy stances of political parties, opposition/co-operation over European integration, cleavage theory of party response to European integration, domestic depoliticisation and EU representation. It presents a sophisticated political analysis of Europe, and an exceptional amount of factual information about European countries and parties.

At Europe's Service Thomas Jansen,Steven Van Hecke,2011-05-19 The European People's Party, the largest political party in Europe, has roots that run deep in history. Founded in 1976 as a Christian Democratic federation, the European People's Party is now a strong centre-right movement and a leading European political family. It has member parties in almost all European countries, and it is very well represented in the institutions of the European Union. This book tells the

story of the European People's Party: why it was founded, how it is currently organised and what its guiding ideas, values and principles are. It gives an up-to-date account of the party's contribution to European integration, its work with its member parties and its central role in organising the centre-right in Europe. Above all, this book is for everyone who wants to know what a European-level political party looks like, how it is structured and how it acts.

**Political Parties in Europe** Theo Stammen,1981

**European political parties and the first direct elections to the European Parliament** Guido Thieme, Jenny Raflik-Grenouilleau,2015-02

**People and Parliament in the European Union** Jean Blondel, Richard Sinnott, Palle Svensson,1998 The power of the European Parliament has been steadily and visibly increasing in recent years. This arises from EU treaty changes and from the fact that more and more decisions are being made at the European level. At the same time, however, the already low rate of turnout in European elections has actually been declining. This powerful new study examines a seemingly paradoxical situation which has raised deep concern about the democratic deficit in the European Union. The authors analyse the concepts of participation, democracy, and legitimacy and their applicability at the European level and develop a typology of voter participation and abstention in the European context. Combining extensive new data from specially commissioned surveys in all 1994 member states with a searching review of the existing evidence, they provide a comprehensive account of the legitimacy of the European Union and examine the images of the European Parliament, citizens experiences of the 1994 campaign and their perceptions of the parties and the candidates. In an analysis that challenges existing interpretations, the institutional, demographic, and attitudinal sources of participation and abstention are fully explored. The study concludes by considering how participation and democratic representation might be enhanced, acknowledging forthrightly the obstacles and inherent limits that such efforts are likely to face.

**Sozialdemokratie und Europa** Christian Krell,2009-07-24

*European Integration and Political Conflict* Gary Marks, Marco R. Steenbergen,2004-02-12 In this 2004 volume, a formidable group of scholars investigate patterns of conflict that are arising in the European Union.

*The Political System of the European Union* Simon Hix, Bjørn Høyland,2022-04-21 Starting from the observation that the European Union now possesses many of the attributes of modern political systems, Hix and Høyland take an innovative approach to analysing, researching and teaching the EU. Using the general theories of political science to understand how the EU works, this text covers each of the main processes in the EU political system - executive, legislative and judicial politics, public opinion, interest groups and democracy, and regulatory, monetary and foreign policies - introducing the key political science tools, reviewing the relevant theories, and applying the knowledge in detailed descriptive analysis. As well as incorporating new data and the latest research, this new edition examines the consequences of the dramatic political and

policy developments in the EU over the past decade. The methodology used in the text makes the political system of the EU accessible to political science students as a whole, as well as those specifically studying and researching the EU.

Political Representation and Legitimacy in the European Union Hermann Schmitt, J. J. A. Thomassen, 1999 How severe a problem is what many call the 'democratic deficit' of the European Union? Despite a voluminous theoretical literature dealing with this question, there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of EU citizens that spring from it. This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit. Four dimensions of legitimacy beliefs are identified and analysed: the European political community, the scope of EU government, the institutions and processes of EU government, and EU policies. Based upon large-scale representative surveys among the mass public, and different strata of the political elite of the EU and its member-states, the book examines the conditions of political representation in the EU. The results demonstrate, by and large, that legitimacy beliefs of EU citizens are the more positive, the less specific the object of identification and evaluation is; and that the process of political representation works pretty well as long as issues other than European Union issues are concerned. These findings are finally discussed in view of familiar strategies for institutional reform of the European Union.

*The European Parliament* Bernard Steunenberg, J. J. A. Thomassen, 2002 Exploring the European Union's 'democratic deficit,' this book traces the halting development of parliamentary democracy at the European level. Arguing that the key actor in this crucial process is the European Parliament, the contributors concentrate on two of the classic functions of a parliament: the legislative and the representative. The contributors analyze the ongoing tensions between party orientations and national loyalties, between national parties and European party groups, and between representatives at the national and regional level. Visit our website for sample chapters!

**Extreme Right Parties in Western Europe** Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression. Beginning with a discussion of the usefulness of the left-right distinction, it deals with the varied significance of the term 'right' and analyses the right's post-war evolution across Europe.

Fuel your quest for knowledge with this thought-provoking masterpiece, Explore **Partiti Europei** . This educational ebook, conveniently sized in PDF ( PDF Size: \*), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind. Download now and embark on a learning journey that promises to expand your horizons. .

## Partiti Europei Introduction

In the digital age, access to information has become easier than ever before. The ability to download Partiti Europei has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Partiti Europei has opened up a world of possibilities. Downloading Partiti Europei provides numerous

advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Partiti Europei has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Partiti Europei. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and

publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Partiti Europei. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Partiti Europei, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are

downloading from. In conclusion, the ability to download Partiti Europei has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Partiti Europei Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many

reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Partiti Europei is one of the best book in our library for free trial. We provide copy of Partiti Europei in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Partiti Europei. Where to download Partiti Europei online for free? Are you looking for Partiti Europei PDF? This is definitely going to

save you time and cash in something you should think about.
