

Party Switching

W. Heller,C. Mershon

Political Parties and Legislative Party Switching W. Heller,C. Mershon,2015-11-09 Political parties and democratic politics go hand in hand. Since parties matter, it matters too when elected politicians change party affiliation. This book shows why, when, and to what effect politicians switch parties in pursuit of their goals, as constrained by institutions and in response to their environments.

Party Switching in Israel Csaba Nikolenyi,2023-05-01 This is the first book about the politics of party switching, or floor crossing, better known as kalanterism in Israeli politics. The Israeli parliament adopted legislation in 1991 that imposed penalties on parliamentary defectors. However, as the book documents, the effect of this legislation was extremely puzzling: the frequency of party switches has increased over time, and most switches have taken the form of party splits making Israeli legislative parties increasingly less cohesive and united. Building on evidence from parliamentary debates, committee records and contemporary journalistic accounts, author Csaba Nikolenyi shows that notwithstanding these unexpected consequences, the Israeli anti-defection legislation proved to be an important tool that governments could use to divide their opposition and shore up their often fragile parliamentary base of support.

Crossing the Aisle Antoine Yoshinaka,2016 This book is the first systematic study of the causes and consequences of legislative party switching in the US. It provides a sophisticated analysis combining quantitative data from Congress and state legislatures with elite interviews with switchers, non-switchers, and a party leader, including a 'real time' look into the decision.

Political Parties and Legislative Party Switching W. Heller,C. Mershon,2009-06-22 Political parties and democratic politics go hand in hand. Since parties matter, it matters too when elected politicians change party affiliation. This book shows why, when, and to what effect politicians switch parties in pursuit of their goals, as constrained by institutions and in response to their environments.

Party System Change in Legislatures Worldwide Carol Mershon,Olga Shvetsova,2013-10-07 How much autonomy do elected politicians have to shape and reshape the party system on their own, without the direct involvement of voters in elections?

Comparing Party System Change Jan-Erik Lane,Paul Pennings,2003-12-16 This volume examines the recent changes

which have occurred in party systems across Europe. It concludes that parties in many countries are no longer bare reflections of traditional social groups. Rather, the structure in which parties compete is increasingly open and flexible, and subject to on-going change. The combination of comparative and individual case-studies provides strong evidence that political parties remain a potent, if changing, force in politics throughout Europe.

From Party Politics to Personalized Politics? Gid'on Rahat, Ofer Kenig, 2018 This volume examines two major developments in contemporary democratic politics- the change in party-society linkage and political personalization-and their relation to each other.

Party System Change in Legislatures Worldwide Carol Mershon, Olga Shvetsova, 2013-10-07 In this book, Carol Mershon and Olga Shvetsova explore one of the central questions in democratic politics: how much autonomy do elected politicians have to shape and reshape the party system on their own, without the direct involvement of voters in elections? Mershon and Shvetsova's theory focuses on the choices of party membership made by legislators while serving in office. It identifies the inducements and impediments to legislators' changes of partisan affiliation, and integrates strategic and institutional approaches to the study of parties and party systems. With empirical analyses comparing nine countries that differ in electoral laws, territorial governance and executive-legislative relations, Mershon and Shvetsova find that strategic incumbents have the capacity to reconfigure the party system as established in elections. Representatives are motivated to bring about change by opportunities arising during the parliamentary term, and are deterred from doing so by the elemental democratic practice of elections.

Strength in Numbers Peter Jan Tunkis, 2018 Party switching, or changing one's political party affiliation, is a surprisingly widespread and persistent phenomenon among members of parliament (MPs) in old and new democracies alike. Switching gives voters the impression of a lack of legislator accountability and representation, and may indicate weak parties or government instability. Why do some MPs risk their careers, prestige, and chances of reelection for oftentimes uncertain payoffs? Extant research on party switching frames this behavior as an individual phenomenon, based on rational calculations to further goals of vote, office, or policy-seeking. Yet in the new democracies of Central and Eastern Europe, I find that party switching is largely a group phenomenon, which has heretofore received little attention. Building upon established research on political parties, party systems, and legislator behavior, I develop a theory of group-based defection that addresses this gap in the literature. I argue that MPs pursue political ambition in groups in which they share political goals—the pursuit of collective ambition is thus an alternative means to achieving their objectives. These groups are formed around, or defined by, social identities that are common or shared among individual MPs. By switching political parties as part of a group, individual MPs are able to more effectively pursue their political ambition.

Party System Change Peter Mair, 1997 Mair examines how we interpret the evidence of change and stability in modern

parties and party systems. Focusing on processes of political adaptation and control, he also looks at how parties generate or freeze their own momentum.

Ideology, Party Change, and Electoral Campaigns in Israel, 1965-2001 Jonathan Mendilow, 2012-02-01 The tumultuous and rapid political change experienced by Israel since 1965 has been reflected in the history of its party system. In this book, Jonathan Mendilow examines the party and party system transformations through the lens of the electoral campaigns that defined and reflected them. He shows that the relative stability of the dominant party system bequeathed from the pre-independence era was shattered in the 1960s, and replaced by cluster parties that vied for power in the ideological center, only to decline and be replaced in turn in the 1980s and early 1990s by ideological party blocs locked in centrifugal competition. With the separate direct election of the prime minister since the mid-1990s, there has been yet a third profound realignment in party structures, ideologies, and modes of campaigning, according to Mendilow.

Party Change, Recent Democracies, and Portugal Marco Lisi, 2015-10-01 This book offers a critical overview on the literature on party change and provides original data on several dimensions of party organizations, focusing in particular on Portuguese political parties. The Portuguese case study will be used to illustrate how political parties evolve and the main differences in the trajectory experienced by parties in old democracies. Therefore, starting from the main theoretical contributions used to study party change, this book examines some key dimensions of the role played by political parties: ideological and programmatic orientations, the social basis of support, party organization, electoral campaigns and the elections of party leaders. Through a wide and rich data collection and the comparative perspective adopted, this book furthers our understanding of how Portuguese political parties have changed and the impact of this change on the quality of democracy.

Electoral Defeat and Party Change Anna Paczeńskiak, Maciej Bachryj-Krzywaźnia, Małgorzata Kaczorowska, 2022-08-25 This book examines the factors determining the character, depth, scope and outcomes of changes made by political parties in the aftermath of electoral losses. It considers not only the objective aspects of party organisation and its features and structure, in explaining post-defeat party change, but also includes findings on the perceptions and interpretations of electoral results within political parties. Based on an extensive fieldwork, the authors propose a new analytical perspective to establish whether and under what conditions and circumstances an electoral defeat leads to a profound party makeover.

The Politics of Religious Party Change A. Kadir Yildirim, 2023-01-05 The Politics of Religious Party Change examines the ideological change and secularization of religious political parties and asks: when and why do religious parties become less anti-system? In a comparative analysis, the book traces the striking similarities in the historical origins of Islamist and Catholic parties in the Middle East and Western Europe, chronicles their conflicts with existing religious authorities, and analyzes the subsequently divergent trajectories of Islamist and Catholic parties. In examining how religious institutional

structures affect the actions of religious parties in electoral politics, the book finds that centralized and hierarchical religious authority structures - such as the Vatican - incentivize religious parties to move in more pro-system, secular, and democratic directions. By contrast, less centralized religious authority structures - such as in Sunni Islam - create more permissive environments for religious parties to be anti-system and more prone to freely-formed parties and hybrid party movements.

Party Change in Southern Europe Anna Bosco, Leonardo Morlino, 2007-02-01 It has been argued that political parties are weakening. In Southern Europe, however, political parties have shown remarkable pragmatism. Not only have they played a crucial role in the installation and consolidation of democracy, mostly in the 1970s and 1980s, but they have also adapted to the aftermaths of severe political crises during the 1990s

Regulierungen des Parteiwechsels in Afrika Martin Goeke, 2015 The study deals with formal regulations of party switching in Sub-Saharan Africa. Many countries take a critical stance towards party switching because it is considered to weaken political parties and to endanger political stability and the legitimacy of democracy. The aim of the study is to examine reasons for their implementation by using QCA and to focus on their role as means of institutional engineering by estimating their impact on party system development. The book also deals with case studies on Botswana, South Africa, Malawi and Lesotho. While Botswana has not adopted a regulation so far, Lesotho has introduced one in the course of an electoral reform in 2002. In South Africa party switching was permitted in a unique manner between 2002 and 2007. After increasing public criticism party switching was subsequently abolished in 2009. In Malawi the regulation has become the subject of controversial debate and political power struggles over the last twenty years.

Overseas Business Reports , 1981

How Parties Organize Richard S Katz, Peter Mair, 1994-11-15 This book takes a close look inside political parties, bringing together the findings of an international team of leading scholars. Building on a unique set of cross-national data on party organizations, the contributors set out to explain how parties organize, how they have changed and how they have adapted to the changing political and organizational circumstances in which they find themselves. The contributors are recognized authorities on the party systems of their countries, and have all been involved in gathering data on party membership, party finance and the internal structure of power. They add to the analysis of these original data an expert knowledge of the wider political patterns in their countries, and thus provide insight into the development of parties and party systems from the perspective of party organizations themselves. *How Parties Organize* offers the most systematic and comparable analysis of party organization in contemporary Europe and the United States.

Party Switches Stuart Rothenberg, 1985 The Republican party has adopted a two-track strategy to attract Democratic defectors and turn them into partisan Republicans. First, the party has made direct appeals to rank-and-file Democrats during and after campaigns. Second, the party has targeted Democratic officeholders for conversion. By contrast, the

Democratic party has been much less active in promoting party switches. In this book, a number of prominent political figures talk about realignment. Many have switched parties, and their thoughts reflect their reasons.

Beyond Party Members Susan E. Scarrow, 2015 This book offers a broad overview of an important and ongoing transformation in relations between political parties and their closest supporters. It focuses on established parliamentary democracies, showing how the changing nature of party membership is affecting how political parties define themselves and the choices presented to voters.

Whispering the Secrets of Language: An Emotional Journey through **Party Switching**

In a digitally-driven earth where displays reign supreme and immediate connection drowns out the subtleties of language, the profound techniques and mental nuances concealed within phrases frequently move unheard. Yet, nestled within the pages of **Party Switching** a captivating literary treasure pulsing with raw thoughts, lies a fantastic journey waiting to be undertaken. Written by an experienced wordsmith, this enchanting opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the very fabric of each and every word. Within the emotional depths with this touching evaluation, we shall embark upon a sincere exploration of the book's key themes, dissect their fascinating publishing model, and yield to the effective resonance it evokes strong within the recesses of readers' hearts.

Party Switching Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular

platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Party Switching free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Party Switching free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its

user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Party Switching free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Party Switching. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Party Switching any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Party Switching Books

1. Where can I buy Party Switching books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Party Switching book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Party Switching books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Party Switching audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Party Switching books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
