

Progressive Alliance Of Socialist And Democrats In The European Parliament

B. Turner

Legislating After Lisbon Bruno de Witte, European Union Democracy Observatory, 2010

With Africa ,2016

European Parliament Awenig Marié, 2019 While the European Parliament's two largest political groups, the European People's Party and the Progressive Alliance of Socialists and Democrats, have been used to sharing its presidency, they decided to fight with each other in January 2017 during the mid-term election. The S&D, indeed, decided to break the coalition agreement they had signed with the EPP after the 2014 European elections. Media and commentators talked about the end of the grand coalition and predicted a new era of decision-making, more political and conflictual. This study aims at analysing the evolution of coalition formation since the end of the 2014 coalition agreement. It uses both quantitative data (roll-call votes in plenary between 2014 and December 2017) and qualitative data (interviews). The grand coalition has remained determining for adopting legislation and non-legislation but has been activated less often when it comes to non-legislative amendments. Moreover, we found that the end of the agreement mostly impacted policy areas that were already conflictual in the past. We assume that coalition formation in the European Parliament is affected by institutional, inter-institutional and conjectural constraints, regardless of the deal signed between the three centrist political groups. In other words, the coalition agreement has only been a reference framework that justified cooperation practises already existing before the 2014.

Political Groups in the European Parliament European Parliament. Secretariat, 1975

Transnational Party Alliances Karl Magnus Johansson, 1997

A Dictionary of the European Union David Phinnemore, Lee McGowan, 2013-06-26 This unique collection of data includes concise definitions and explanations on all aspects of the European Union. It explains the terminology surrounding the EU and outlines the roles and significance of the institutions, member countries, programmes and policies, treaties and personalities. It contains over 1,000 clear and succinct definitions, spelling out acronyms and abbreviations, arranged alphabetically and fully cross-referenced. Among the 1,000 entries you can find explanations and back-ground details on:

accession negotiations atmospheric pollution Central European Free Trade Area common agricultural policy company law statute competition policy the euro Governance White Paper human rights MERCATOR Middle East OLAF - European Anti-Fraud Office refugee policy Schengen Agreement Treaty of Nice US-EC Declaration.

The Institutions of the European Union Dermot Hodson, Uwe Puetter, John Peterson, Sabine Saurugger, 2022 In a time of disruption and rapid change, the European Union's institutions have endured. In *The Institutions of the European Union*, a team of expert contributors and editors explain everything you need to know about the functions, powers, and composition of these important organizations as they contend with the changing dynamics of European integration. It is the most comprehensive guide to understanding how the institutions of the EU provide political direction, govern policies, and integrate contrasting interests within the EU. New to this Edition: Fully updated to cover the institutional changes prompted by Brexit, Covid-19, and many other issues facing the EU. A new introductory chapter presents the idea of EU institutional politics and explores its different dimensions. Explores the urgent challenges of creating more diverse and inclusive EU institutions. New discussion questions help you reflect critically and engage with the content to take your learning further. Professor Uwe Puetter of Europa-Universität Flensburg, and Sabine Saurugger of Science Po Grenoble-UGA, join Dermot Hodson as editors. Book jacket.

The Statesman's Yearbook 2014 B. Turner, 2017-01-12 Now in its 150th edition, *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world. The Statesman's Yearbook 2015 B. Turner, 2016-12-27 Now in its 151st edition, *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is also available online for subscribing institutions: <http://www.statesmansyearbook.com>.

Parties and Elections in Europe Wolfram Nordsieck, 2024-01-08 *PARTIES AND ELECTIONS IN EUROPE* is a comprehensive reference guide to the parliamentary elections and governments in the European countries since 1945, the elections to the European Parliament since 1979 and to all significant political parties in Europe. Listed are more than 1250 parties (currently active parties and dissolved or inactive parties). The guide includes basic data of these parties (founding years, political orientations, affiliations to political parties at European level, political groups in the European Parliament and political internationals) and a chronological summary of their history (name changes, predecessors, mergers and splits).

Parliamentary Discourses across Cultures Liliana Ionescu-Ruxăndoiu, 2013-02-21 This volume looks at the growing interest of different specialists in the problems associated with political discourse, in general, and parliamentary discourse,

as one of its major sub-genres, in particular. Its main goal is to offer a deeper understanding of the diversity of parliamentary practices across space and time. The papers aim to highlight the role played by local social and historical factors, ideologies, collective mentalities, and social psychology in building up culture-specific traditions of political institutions. Approaching the problems from a large variety of theoretical perspectives, the investigations are based on flexible, interdisciplinary, and multi-layered methodologies, offering an image of the multifaceted manifestations of parliamentary debates. The volume addresses specialists in several fields, such as linguistics, discourse analysis, history, political science, sociology, (social) anthropology, (social) psychology, media and communication.

The Statesman's Yearbook 2016 Nick Heath-Brown,2017-02-07 Now in its 152nd edition, The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is also available online for subscribing institutions: www.statesmansyearbook.com .

The Statesman's Yearbook 2012 B. Turner,2017-01-12 Now in its 148th edition, The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is also available online for subscribing institutions: www.statesmansyearbook.com.

The Statesman's Yearbook 2011 B. Turner,2017-01-12 Now in its 147th edition, The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social and cultural aspects, the Yearbook is an essential resource.

Historical Dictionary of Socialism Peter Lamb,2024-02-20 Socialism has been an influential force for social change for almost two centuries. Its philosophy and ideology have inspired millions while simultaneously arousing fear and revulsion in its enemies. Having emerged after the French Revolution in the effort to build upon and develop the egalitarian ideas of the Enlightenment, socialism has taken many forms. It has, furthermore, sometimes been manipulated and reformulated by opportunists who have built authoritarianism and totalitarian dictatorships in its name. Opponents seize on such examples to frighten away people who may otherwise have found socialism attractive. Socialism has survived such criticism and misrepresentation as its core principles have struck a chord with generations of people concerned with social justice. *Historical Dictionary of Socialism, Fourth Edition* contains a chronology, an introduction, a glossary, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on activists, politicians, political thinkers, political parties and organizations, and key topics, concepts, and aspects of socialist theory. This book is an excellent access point for students, researchers, and anyone wanting to know more about socialism.

The Politics of the European Union Herman Lelieveldt,Sebastian Prinzen,2011-05-19 A new introduction to the

European Union which uses the lens of comparative politics. This approach helps students understand the EU through comparisons with domestic politics and links with broader debates in political science. The text is supported by numerous examples, and chapters include briefings, fact files and controversy boxes which highlight important information and controversial issues in EU politics to widen and deepen student understanding. The authors have developed online 'Navigating the EU' exercises that introduce students to useful sources of information on the internet and help them to analyse policy-making in the EU. This textbook is a comprehensive introduction to EU politics and covers history, theory, key institutions and participants, as well as policies and policy-making.

Italy and the European Union Federiga M. Bindi, 2011 Offers a comprehensive study of Italy's role in the European Union, as well as the country's relations with the EU and other EU members. Original.

Democratic Decision-making in the EU Anne Elizabeth Stie, 2015-03-05 This book examines the democratic legitimacy of the European Union (EU) and evaluates the democratic credentials of the EU's main decision-making procedure. It finds that though there is potential for democratic decision-making in the EU, the actual process is dominated by technocrats and secret meetings. The book assesses and discusses the conditions for democratic input in decision-making with five empirical chapters each addressing the ordinary legislative procedure from different dimensions: democratic deliberative forums, inclusion, openness, power neutralising mechanisms and decision-making capacity. The analytical framework provides for an in-depth assessment of the ordinary legislative procedure's potential democratic qualities and examines whether it fulfils democratic criteria, how the procedure works in practice and whether it has the necessary democratic clout. The author provides both a theoretical discussion and an empirical assessment of what role the principle of democracy could play in the EU. Filling a gap in EU legislative studies and contributing to the debate on the European democratic deficit, Democratic Decision-making in the EU will be of interest to students and scholars of European Union politics, legislative studies and deliberative democracy.

A Dictionary of the European Union Lee McGowan, David Phinnemore, 2015-04-10 This unique collection of data includes concise definitions and explanations relating to all aspects of the European Union. It explains the terminology surrounding the EU and outlines the roles and significance of the institutions, member countries, foreign relations, programmes and policies, treaties and personalities. It contains over 1,000 clear and succinct definitions and explains acronyms and abbreviations, which are arranged alphabetically and fully cross-referenced. The book has been fully updated to include details of the elections to the European Parliament and the appointment of the new European Commission in 2014, together with other important revisions. Among the 1,000 entries you can find explanations and background details on: accession negotiations the African Union the 'Arab Spring' the Common Agricultural Policy competition policy the European Maritime and Fisheries Fund the euro human rights Jean-Claude Juncker the European Anti-Fraud Office (OLAF)

the Schengen Agreement Serbia the Single Supervisory Mechanism the single rulebook the Treaty of Lisbon Ukraine

The Institutions of the European Union Michael Shackleton, 2012-03-22 The book explains functions, powers and composition of the EU's institutions, including the Council of Europe, the Council of Ministers, the College of Commissioners, the European Commission, the European Parliament, the Court of Justice of the European Union, the European Central Bank, the Court of Auditors and OLAF, and the Committee of Regions. After a historical overview of the attempts at EU institutional reform, three chapters examine how different institutions provide political direction, manage the Union and integrate interests.

The Engaging World of E-book Books: A Thorough Guide Revealing the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and ease of availability, have freed readers from the constraints of hardcopy books.
