

Roberto Marti

Verity Smith

A Posthumous History of José Martí Alfred J. López, 2022-09-16 A Posthumous History of José Martí: The Apostle and His Afterlife focuses on Martí's posthumous legacy and his lasting influence on succeeding generations of Cubans on the island and abroad. Over 120 years after his death on a Cuban battlefield in 1895, Martí studies have long been the contested property of opposing sides in an ongoing ideological battle. Both the Cuban nation-state, which claims Martí as a crucial inspiration for its Marxist revolutionary government, and diasporic communities in the US who honor Martí as a figure of hope for the Cuban nation-in-exile, insist on the centrality of his words and image for their respective visions of Cuban nationhood. The book also explores more recent scholarship that has reassessed Martí's literary, cultural, and ideological value, allowing us to read him beyond the Havana-Miami axis toward engagement with a broader historical and geographical tableau. Martí has thus begun to outgrow his mutually-reinforcing cults in Cuba and the diaspora, to assume his true significance as a hemispheric and global writer and thinker.

José Martí: Apostel, Dichter, Revolutionär, eine Geschichte seiner Rezeption Ottmar Ette, 1991 Die Buchreihe Mimesis präsentiert unter ihrem neuen Untertitel Romanische Literaturen der Welt ein innovatives und integrales Verständnis der Romania wie der Romanistik. Sie trägt der Tatsache Rechnung, dass die faszinierende Entwicklung der romanischen Literaturen und Kulturen in Europa wie außerhalb Europas weltweite Dynamiken in Gang gesetzt hat, welche die großen Traditionen der Romania auf neue Horizonte hin öffnen. Mimesis zeigt auf, wie die dargestellte Wirklichkeit im Archipel der romanischen Literaturen die Tür zu einem vielsprachigen Kosmos verschiedenartiger Logiken öffnet. Die Publikationssprachen sind Deutsch, Französisch, Spanisch, Italienisch und Englisch.

Re-reading Jose Martí (1853-1895) Julio Rodriguez-Luis, 1999-06-24 This is one of the very few books on the Cuban political thinker and poet Jose Martí available in English. Written by renowned Latin Americanists, the book explores the man who created the notion of Latin America--Nuestra America--(also the title of Martí's seminal text) as a distinct cultural and racial identity. Martí's influence as a writer in Latin America was almost as great as the one he had as a statesman. An extraordinarily innovative poet and prose writer, he contributed effectively to modernizing Latin American literature, linguistically and thematically. One hundred years after Martí's death, Re-reading Jose Martí (1853-1895) re-evaluates his contribution to Latin America's literature and political evolution. Through his journalistic writings Martí was tremendously

influential in shaping the notion of a distinct Latin America as well as in predicting the United States' imperialistic tendencies regarding those countries. Revered in Cuba, Martí, more than any other patriot, stirred nationalistic feelings necessary to organize the war that finally secured Cuba's independence from Spain. Contributors include Ottmar Ette, Cathy L. Jrade, Julio Ramos, Susana Rotker, Lourdes Martinez-Echazabal, Enrico Mario Santi, Rafael Saumell-Munoz, Ivan A. Schulman, and Adalberto Ronda Varona.

Jose Marti: An Introduction O. Montero, 2004-04-16 Jose Marti, Cuban national hero, was one of Latin America's most influential literary and political figures. There is currently no introductory overview to his complex body of works. Jose Marti: An Introduction offers such an introduction to Marti's most pertinent, enduring ideas, exploring his writing on race, gender, the relationship between Cuba and the US, and issues of displacement and bilingualism. The writing is accessible on the undergraduate level, yet Montero does not oversimplify ambiguities and contradictions of Marti's work and life.

Ein Jahr in der DTM Marc Zimmermann, Alexander Weiler, 2014-01-17 Ein Jahr in der DTM. 22 Fahrer, 10 Läufe, 738.000 Zuschauer, 9 Städte, 10 Menschen und jede Menge Technik. Die beiden Autoren begleiteten eine Saison lang DTM-Rennevents, um sich von Europas populärster Tourenwagenrennserie faszinieren zu lassen, mitzufiebern, Rennluft zu schnuppern, Fahrer und Verantwortliche zu treffen, tief einzutauchen, Fragen zu stellen und die gesammelten Informationen in diesem Buch zu verarbeiten.

Encyclopedia of Latin American Literature Verity Smith, 1997-03-26 A comprehensive, encyclopedic guide to the authors, works, and topics crucial to the literature of Central and South America and the Caribbean, the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies. Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10,000 words on the literature of individual countries, of the colonial period, and of ethnic minorities, including the Hispanic communities in the United States. Besides presenting and illuminating the traditional canon, the encyclopedia also stresses the contribution made by women authors and by contemporary writers. Outstanding Reference Source Outstanding Reference Book

Esophageal Abnormalities Jianyuan Chai, 2017-12-06 Human life relies on two basic supplies, oxygen and food. Oxygen can be utilized directly, but food has to go through a long process of digestion to become usable nutrients. The esophagus is the beginning part of this long journey. Because of its critical location, any abnormalities in this part of the body can be devastating and life-threatening and difficult to treat. This book covers many aspects of esophageal disorders, from congenital diseases to cancer. It includes 11 chapters written by highly experienced scholars from all over the world. It is our intention to provide readers an update in esophageal study and to raise the awareness how important this organ to our entire body system.

Cuban Studies 18 Carmelo Mesa-Lago, 1988-10-01 Essays in volume 18 include discussions of Cuba's approach to the

Latin American debt crisis, its two-century-old race problem and its impact on Cuba's relations with Africa, differences between urban and rural living conditions and development, and the recent housing situation in Cuba. Examinations of scholarly research include a survey of major historical works on Cuba over the past twenty-five years and an analysis of how the revolution has affected the scholar's craft and access to manuscripts and archives. The Debate section features comments on discussions in Cuban Studies 17 of sex and gender relations in today's Cuba, as well as the ongoing issue of Cuba's economic planning and management system.

Concise Encyclopedia of Latin American Literature Verity Smith,2014-01-14 The Concise Encyclopedia includes: all entries on topics and countries, cited by many reviewers as being among the best entries in the book; entries on the 50 leading writers in Latin America from colonial times to the present; and detailed articles on some 50 important works in this literature-those who read and studied in the English-speaking world.

The Dissonant Legacy of Modernismo Gwen Kirkpatrick,1989-01-01 Kirkpatrick offers us a brilliant, sensitive and convincing reappraisal of both modernismo and the special role of Leopoldo Lugones as innovator and forerunner of vanguardism in Spanish America. . . . Her voice is informed, incisive, convincing, graceful, and original.--Jack Schmitt, California State University, Long Beach

Cuba's Wild East Peter Hulme,2011-01-01 As a whole, Cuban history, culture, and art are often misconstrued with a heritage specific to Havana. In Cuba's Wild East, Peter Hulme attempts to right this wrong, focusing on the eastern region of the island and the specific fictions, poetries, locations, and histories that constitute a specific eastern culture. Examining a region with a rich insurgent and revolutionary history, Peter Hulme examines the stories of rebellion, heroism, and sacrifice that are so intimately tied to the places and sites that have now become part of a national pantheon, at the same time showing the international influence of US journalists and novelists whose presence in Cuban literature alongside native Cuban writers further defines the region as a place of encounter.

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,1975

José Martí E. Bejel,2016-07-14 This book is a critical study of visual representations of José Martí The National Hero of Cuba , and the discourses of power that make it possible for Martí's images to be perceived as icons today. It argues that an observer of Martí's icons who is immersed in the Cuban national narrative experiences a retrospective reconstruction of those images by means of ideologically formed national discourses of power. Also, the obsessive reproduction of Martí's icons signals a melancholia for the loss of the martyr-hero. But instead of attempting to forget Martí, the book concludes that the utopian impulse of his memory should serve to resist melancholia and to visualize new forms of creative re-significations of

Martí and, by extension, the nation.

The Music Parents' Survival Guide Amy Nathan, 2014 This book of parent-to-parent advice aims to encourage, support, and bolster the morale of one of music's most important back-up sections: music parents. Within these pages, more than 150 veteran music parents contribute their experiences, reflections, warnings, and helpful suggestions for how to walk the music-parenting tightrope: how to be supportive but not overbearing, and how to encourage excellence without becoming bogged down in frustration. Among those offering advice are the parents of several top musicians, including the mother of violinist Joshua Bell, the father of trumpeter Wynton Marsalis, the parents of cellist Alisa Weilerstein, and those of violinist Anne Akiko Meyers. The book also features advice from music educators and more than forty professional musicians, including Paula Robison, Sarah Chang, Anthony McGill, Jennifer Koh, Jonathan Biss, Toyin Spellman-Diaz, Marin Alsop, Christian McBride, Miguel Zenón, Stephanie Blythe, Lawrence Brownlee, and Kelli O'Hara. The topics they discuss span a wide range of issues faced by the parents of both instrumentalists and singers, from how to get started to encouraging effective practice habits, to how to weather the rough spots, cope with the cost of music training, deal with college and career concerns, and help young musicians discover the role that music can play in their lives. The parents who speak here reach a unanimous and overwhelming conclusion that music parenting is well worth the effort, and the experiences that come with it - everything from flying to New York on the weekends to searching a flute convention for the perfect instrument - enrich family life with a unique joy in music.

ICA Health Summary United States. International Cooperation Administration, 1958

José Martí Reader José Martí, 2016-08-22 “[Martí] added a social agenda to the historic program of national liberation and instantly converted a movement devoted to the establishment of a new nation into a force dedicated to shaping a new society. Martí transformed rebellion into revolution. . . . Like a master weaver, Martí pulled together all the separate threads of Cuban discontent—social, economic, political, racial, historical—and wove them into a radical movement of enormous force.”—Louis A. Pérez Jr, author of *José Martí in the United States* “Oh Cuba! . . . the blood of Martí was not yours alone; it belonged to an entire race, to an entire continent; it belonged to the powerful youth who have lost probably the best of teachers; he belonged to the future!”—Rubén Darío This new edition of an elegant anthology features bilingual poetry, a revised translation, and several new pieces. It presents the full breadth of José Martí's work: his political essays and writings on culture, his letters, and his poetry. Readers will discover a literary genius and an insightful political commentator on troubled US-Latin America relations.

ERNESTO CHE GUEVARA Marcos A. Alvarez, 2013-02-12 This book is a compilation of facts, and ideas expressed by Guevara in his own speeches, essays, interviews, working papers, diary, and others from conversations of family members, friends, subordinates, and Castro, including information from his best-known biographers and supporters' persuasive works

published in Cuba and out, after Che's death in Bolivia. This was when he was not a threat to Fidel Castro's megalomania, when Guevara did not constitute anymore a danger to Fidel's dream of becoming a hero, and he would be the most important politician in America, even perhaps in the whole world. At that moment, it was very important for Castro to use his limitless power in the Cuban government to develop the instrumentality necessary to transform Che's figure in what he is today, an icon.
