Politika 14 Isabella Cherubini, Ulrich Ladurner, Marco Angelucci, Günther Pallaver, Hermann Atz, Gernot Gruber, Christoph Tauber, Isabel Gallmetzer, Ingo Dejaco, Greta Klotz, Marco Brunazzo, Ferdinand Karlhofer, Claudius Wagemann, Joachim Gatterer, Harald Prosch, Andrea Felis, Thomas Benedikter, Elisabeth Alber, 2014-05-15 Im Mittelpunkt von Politika 14 steht die Analyse der Landtagswahlen im Oktober und der Parlamentswahlen im Februar 2013. Die Landtagswahlen in Südtirol (Hermann Atz/Günther Pallaver) werden mit jenen in Tirol (Ferdinand Karlhofer), Bayern (Claudius Wagemann) und im Trentino (Marco Brunazzo) verglichen. Weitere Themenfelder betreffen die Vorwahlen, den Einsatz der Medien im Wahlkampf (Plakate, Printmedien, Neue Medien) sowie eine Milieustudie. Es folgen Abhandlungen zur politischen Bildung, zu politischen Persönlichkeiten und Rezensionen.

Rechtspopulismus in Einwanderungsgesellschaften Heinz Ulrich Brinkmann, Isabelle-Christine Panreck, 2019-02-09 Dieser Band thematisiert die rechtspopulistischen Bewegungen mehrerer Länder in vergleichender Perspektive. Denn Entwicklungen im Kontext von Migration und Integration sowie die Wahlerfolge von rechtspopulistischen Organisationen und Personen begründen die häufig geäußerte Vermutung eines kausalen Zusammenhangs. Dies betrifft nicht nur die neueren Entwicklungen in USA, Frankreich und Deutschland, sondern ist eine allgemeine Erscheinung in westlichen, industriellen Einwanderungsgesellschaften. Im vergleichenden Teil des Buches werden grundsätzliche Faktoren sowie Ursache-Wirkungs-Verhältnisse aufgezeigt. Die ausgewählten Länderstudien verdeutlichen die spezifischen Faktoren für diese Wahlerfolge. Der Inhalt Rechtspopulismus – historisches Phänomen, politischer Kampfbegriff, analytisches Konzept? • Radikale rechtspopulistische Parteien in Europa • Rechtspopulismus in Osteuropa • Das Aufkommen der Alternative für Deutschland • Rechtspopulismus in Österreich • Integration versus Abgrenzung in der Schweiz • Konfrontation statt Konsens in den Niederlanden • Rechtspopulismus in Belgien • Populismus, UKIP und der rechte Rand • Rechtspopulismus, Integration und Migrationspolitik in Nordeuropa • Rechtspopulismus in Frankreich • Populisten an der Regierung in Italien • US-WählerInnen zwischen bürgerlichem Konservatismus und Donald Trump Die Herausgeber Dr. Heinz Ulrich Brinkmann, Politologe, Alfter. Dr. Isabelle-Christine Panreck, Institut für Politikwissenschaft der Westfälischen Wilhelms-Universität Münster.

Gas Games Martina Grabau, 2017-11-20 Martina Grabau geht der Frage nach, wie sich die energiepolitischen

Beziehungen zwischen der EU und Russland infolge der Ukraine-Krise zukünftig entwickeln werden. Sie untersucht die Akteurspositionen der EU-Mitgliedstaaten sowie der EU-Kommission vor und nach Beginn der Ukraine-Krise und entwickelt mittels einer spieltheoretischen Simulation ein Zukunftsszenario für die europäische Erdgasaußenpolitik. Die Autorin zeichnet ein umfassendes Bild der Handlungsmuster sowie des Wandels in den Policypositionen der Akteure infolge der Ukraine-Krise und diskutiert Faktoren zur Begünstigung und Einschränkung dieser Wandlungsprozesse. Darüber hinaus zeigt sie den methodischen Mehrwert einer Verbindung von formaler Modell- und Policyanalyse auf.

Parties and Elections in Europe Wolfram Nordsieck, 2024-02-22 *Parties and Elections in Europe* is a comprehensive reference guide to the parliamentary elections and governments in the European countries since 1945, the elections to the European Parliament since 1979 and to all significant political parties in Europe. Listed are more than 1250 parties (currently active parties and dissolved or inactive parties). The guide includes basic data of these parties (founding years, political orientations, affiliations to political parties at European level, political groups in the European Parliament and political internationals) and a chronological summary of their history (name changes, predecessors, mergers and splits).

The Exceptional Case of Post-Bailout Portugal Elisabetta De Giorgi, José Santana-Pereira, 2021-09-30 This book explores the argument that Portugal has been an exception to the trend of political upheaval and electoral instability across Southern Europe following the financial crisis and the bailout period. It does so by mapping and exploring in-depth three key dimensions: the governmental arena, the party system and citizens' political attitudes. The five chapters in this edited volume show that a number of factors combine to make Portugal not only a very stimulating case study, but also an exception within the South European panorama: the stability of its party system, and that of the mainstream parties' electoral support in particular; the quick recovery of political attitudes after the end of the bailout period (2011-2014); the absence of competitive populist challengers until 2019, despite high levels of populist attitudes amongst the citizenry; the successful and stable union between anti-austerity parties supporting the socialist government (dubbed the 'Contraption') and its adoption of an 'austerity by stealth' model. This book shows that it is possible to combine critical junctures and political stability, responsiveness and responsibility, through the study of one of the most intriguing cases in Southern Europe in the last decades. *The Exceptional Case of Post-Bailout Portugal* will be of interest to students, researchers and scholars of Political Science and European Studies. The chapters in this book were originally published as a special issue of the journal, *South European Society and Politics*.

Italien zwischen Krise und Aufbruch Alexander Grasse, Markus Grimm, Jan Labitzke, 2017-08-21 Mit dem Amtsantritt Matteo Renzis im Februar 2014 waren in Italien große Hoffnungen verbunden. Dem jungen Ministerpräsidenten gelang es zunächst tatsächlich, eine Aufbruchsstimmung zu erzeugen, die dem krisen- und skandalgeschüttelten Land einen tiefgreifenden Wandel verhieß. Zunächst schien es, als könne die unvollendete Zweite in eine grundlegend reformierte Dritte

Republik transformiert werden: Italia 3.0. Dieser Prozess ist durch das im Dezember 2016 gescheiterte Verfassungsreferendum zunächst ins Stocken geraten. Gleichwohl überdauern einige Neuerungen der Ära Renzi seinen zwischenzeitlichen Rücktritt und zahlreiche Reformprojekte werden weiterverfolgt. Die Autorinnen und Autoren des Bandes untersuchen anhand der Veränderungen der Institutionen, des Parteiensystems, der Entscheidungsprozesse und der politischer Kultur sowie anhand aktueller Reformen in ausgewählten Politikfeldern in den drei Dimensionen der Politik (Polity, Politics und Policy), ob bzw. inwiefern der erhoffte Aufbruch tatsächlich stattgefunden hat, in welchen Bereichen die italienische Wirklichkeit hingegen in den alten Strukturen und Handlungsmustern verhaftet blieb und wo eine zweite Regierung Renzi oder andere zukünftige Regierungen anknüpfen könnten.

Parties and Elections in Austria and South Tyrol Wolfram Nordsieck, 2022-04-22 Parties and Elections in Austria and South Tyrol is a comprehensive reference guide to the federal and state elections and federal and state governments in Austria since 1918, the national and provincial elections and provincial governments in South Tyrol (Italy), the elections to the European Parliament and to all significant present and past political parties. Listed are more than 240 parties. The guide includes basic data of these parties (founding years, political orientations, affiliations to European political parties, European Parliament groups and political internationals) and a chronological summary of their history (predecessors, name changes, mergers and splits).

Political Handbook of the World 2022-2023 Tom Lansford, 2023-06-09 The Political Handbook of the World 2022-2023 provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2022-2023 edition continues to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Tom Lansford has compiled in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. It also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this update will aim to include coverage of current events, issues, crises, and controversies from the course of the last two years.

The Politics of Polarisation Anna Bosco, Susannah Verney, 2022-08-22 Focusing on Italy, Spain and Greece, this book explores the extent of polarisation, as well as its causes, characteristics and consequences. It investigates varied manifestations of polarised politics including leader polarisation, policy polarisation and affective polarisation as well as providing case studies of polarised elections taking place at multiple levels. In recent years, polarisation has been a key feature of South European politics. Deep antagonism has moved party leaders against each other, hindered parliamentary and governmental cooperation, and triggered a cascade effect of harsh divisions among elites and citizens. Beyond the left-

right axis, the chapters in this volume highlight multiple dimensions around which parties and voters polarise: the split around sovereign bailouts in Greece, the territorial cleavage in Spain, the divisions around immigration and European integration in Italy. This volume offers essential understanding of the specific features of polarisation in different national contexts and the consequences for political competition and government instability. The chapters in this book were originally published as a special issue of *South European Society and Politics*.

The Great Reform That Never Was Alessandro Chiaramonte, Alex Wilson, 2017-12-15 In Italy, 2016 was meant to be the year of the great reform, a constitutional revision that would have concluded the never-ending transition from First to Second Republic, a long process involving several transformations in the electoral system and party system since the 1990s. It did not turn out this way. Instead, the Renzi-Boschi law for constitutional revision, which started its parliamentary procedure in April 2014 and saw its final reading in the Chamber of Deputies in April 2016, was eventually rejected by voters in a confirmative referendum held on 4 December.

Still Second Order or Critical Contests? The 2014 European Parliament Elections in Southern Europe Hermann Schmitt, Eftichia Teperoglou, 2018-02-02 Southern Europe has been the EU region most exposed to the Eurozone sovereign debt crisis with consequences for national party systems and political stability. The 2014 European Parliament elections took place at a crucial time for Europe and Southern European societies more generally. This book analyses the Euroelections in Southern Europe, asking whether these followed the usual pattern of low-stimulus contests or whether the crisis context raised the bar. Country chapters on Italy, Greece, Spain, Portugal, Cyprus and Malta investigate the background of the elections, the electoral campaign and the rise of Euroscepticism. The linkage between governments' economic performance, the Europhile or Eurosceptic stances of political parties, and their electoral performance are at the core of the analysis in each chapter. The findings reveal that the political and electoral consequences of the economic crisis have not fundamentally challenged the second-order character of the 2014 European Parliament elections in Southern Europe. However, electoral behaviour exhibits some indications of a more critical contest in which the EU divide becomes more significant and polarising in determining voting choices. This book was previously published as a special issue of *South European Society and Politics*.

Opposition Parties in European Legislatures Elisabetta De Giorgi, Gabriella Ilonszki, 2018-03-09 Democratic theory considers it fundamental for parties in government to be both responsive to their electorate and responsible to internal and international constraints. But recently these two roles have become more and more incompatible with Mair's growing divide in European party systems between parties which claim to represent, but don't deliver, and those which deliver, but are no longer seen to represent truer than ever. This book contains a qualitative and quantitative analysis of the behaviour of the opposition parties in eleven European democracies across Western and East Central Europe. Specifically, it investigates the parliamentary behaviour of the opposition parties, and shows that the party context is increasingly diverse. It demonstrates

the emergence of two distinct types of opposition: one more cooperative, carried out by the mainstream parties (those with government aspirations), and one more adversarial focusing on government scrutiny rather than on policy alternatives (parties permanently excluded from power). It systematically and analytically explores the sources of their behaviour, whilst acknowledging that opposition is broader than its mere parliamentary behaviour. Finally, it considers the European agenda and the economic crisis as two possible intervening variables that might have an impact on the opposition parties' behaviour and the government-opposition relations. As such, it responds to questions that are major concerns for the European democracies of the new millennium. This text will be of key interest to students and scholars of political parties, European politics, comparative politics and democracy.

Political Handbook of the World 2020-2021 Tom Lansford, 2021-05-31 The Political Handbook of the World by Tom Lansford provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2020-2021 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. The Political Handbook of the World 2020-2021 also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. And this update will aim to include coverage of current events, issues, crises, and controversies from the course of the last two years.

The Italian Democratic Party and New Labour Luciano M. Fasano,

Italian Politics James L. Newell, 2023-12-22 This book presents a comprehensive and incisive exploration of the intricacies of the Italian political system. Written in a lucid and informative style, the work features: an examination of Italian political history from 1943 to the present day an analysis of the governmental system, the constitutional framework, the core institutions, the electoral system and the key parties an analysis of the role of contemporary pressure groups and social movements including environmental, labour and institutional organisations discussions of important topical issues, such as corruption and organised crime an exploration of Italian foreign policy towards the EU, the US and the wider world a wide range of examples, tables and figures. *Italian Politics: Exploring the Dynamics of Political Change* is an indispensable resource for students and scholars delving into Italian politics, Italian studies, European politics/studies, political systems and comparative politics.

EU: Beyond the Crisis Nikolaos Papakostas, Nikolaos Pasamitros, 2016-03-15 Though crises arise organically in all political systems, this volume treats the current challenges facing the EU as a unique situation. It takes stock of its losses, gains, and opportunities and what constitutes a viable solution to the EU's current predicament. By envisioning the EU as an

evolving rather than static body, this collection zeroes in on the conceptual weaknesses that destabilized the EU and the factors that will help the organization rethink its place and purpose. This book clarifies aspects of EU parliamentarism within the context of the unfolding crisis and addresses political cohesion and institutional integration. It ultimately stresses the role of perception and image on the future of the EU's social and political integration.

Italian Democracy Gianfranco Pasquino, 2019-11-08 This textbook, from one of Italy's most eminent scholars, provides broad coverage and critique of Italian politics and society. Providing the readers with the knowledge necessary to understand the working of the Italian political system, it also offers answers to some of the most important challenges facing the country – and other contemporary democracies – today, such as populism, anti-politics and corruption. Critical but underpinned by thorough data and analysis, it presents alternative views alongside the author's interpretation. Crucially, the book uses a comparative framework to explain Italy's transformation and evaluate its performance. Comparing the rules, institutions, parties and actors at work in the most important European political systems – France, Germany, Great Britain – with those in Italy, the Italian context is better understood and assessed in contrast. This text will be essential reading for students and scholars of Italian politics and European politics, and more broadly for comparative politics and democracy.

Religious Voting in Western Democracies José Ramón. Montero, Paolo Segatti, Professor of Political Sociology (Retired) Paolo Segatti, Associate Professor of Sociology Kerman Calvo, Kerman Calvo, 2023-07-06 This book offers a systematic exploration of the role of religion and religiosity in electoral politics in Catholic, Protestant, and religiously mixed countries across Western Europe and in the United States. The chapters approach the relationship between religion, religiosity, and electoral behaviour from a variety of different angles. They include analyses of secularization trends; comparative studies of the links between vote choice and religiosity; longitudinal single country studies; and a novel discussion of the theoretical underpinnings of the politicization of religion that provides a radically new framework for the analysis of the role of religiosity in election studies. The volume shows that despite the expectations of secularization theory, religiosity remains relevant when casting votes. It also argues that the traditional notion of religious cleavage should be replaced with the more accurate idea of religious voting. Chapters draw on National Election Studies data and comparative datasets such as European Values Studies (EVS), European Social Surveys (ESS), and European Election Studies (EES) to empirically test expectations regarding religious voting. The results show that variations in religious voting are conditional on both the agency of political and ecclesiastical leaders when politicizing religious issues and the legacies of previous societal and political religious conflicts, regardless of whether the original party system had a predominant religious cleavage.

Eurosceptic Contagion Alexandru Filip, 2021-04-20 In light of the growing support for populist political actors, this book examines political party behavior and political positions towards the integration process in the European Union. It

explores the correlation between eurosceptic success and mainstream party behavior. Presenting both an indepth empirical investigation of electoral campaigns and the politics of party leaders, as well as applying various theoretical models, the author analyses different eurosceptical trends and circumstances and dynamics of eurosceptic contagion. In particular, he addresses the following questions: Do Europe's mainstream parties maintain their standard discourse and policy positions unaltered, or are they forced to qualify their typical pro-integration stances when eurosceptic challengers are successful at the ballot box? Are some parties or party systems more susceptible to eurosceptic "contagion" than others? These are just some of the timely questions that are examined by the author. The book argues that political parties at the ideological center of their party systems use the electoral success of eurosceptic parties as indications of changes in the public's political preferences. In order to avoid losing voters to these parties, moderate parties will qualify their positions on the issue of EU integration. The author explores these dynamics and discusses their implications for the future of European integration.

New Paths for Selecting Political Elites Giulia Sandri, Antonella Seddone, 2021-05-15 This book provides a cross-country study of the consequences of the expansion of intra-party democracy, the trend towards more inclusive methods of selection for party candidates and leaders, and the impact of these on political elites in terms of sociopolitical profile and patterns of careers. It explores the link between political organizations and political elites, by studying the role of parties in parliamentary and political selection and its impact on the political leadership appointed. Putting an emphasis on primary elections, it analyses the party elites that emerge from those selection processes and those democratized organizational settings. It focuses not only on the analysis of the processes through which party elites are selected and the consequences at the level of the party but also at the level of party elites themselves, i.e. what impact party primaries have on the characteristics parties' candidates and leaders. The book offers a theoretical, comparative, and empirical account of the internal electoral processes of parties and their impact on political recruitment. This book will be of key interest to scholars and students of political elites, political parties and party systems, electoral politics, democracy, populism, and leadership, and more broadly to comparative politics.

Eventually, you will completely discover a new experience and achievement by spending more cash. nevertheless when? complete you acknowledge that you require to acquire those every needs gone having significantly cash? Why dont you try to acquire something basic in the beginning? Scelta Civica Sc Introduction

Scelta Civica Sc Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Scelta Civica Sc Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Scelta Civica Sc : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Scelta Civica Sc : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Scelta Civica Sc Offers a diverse range of free eBooks across various genres. Scelta Civica Sc Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Scelta Civica Sc Provides a large selection of free eBooks in

different genres, which are available for download in various formats, including PDF. Finding specific Scelta Civica Sc, especially related to Scelta Civica Sc, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Scelta Civica Sc, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Scelta Civica Sc books or magazines might include. Look for these in online stores or libraries. Remember that while Scelta Civica Sc, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Scelta Civica Sc eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell

eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Scelta Civica Sc full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Scelta Civica Sc eBooks, including some popular titles.

FAQs About Scelta Civica Sc Books

1. Where can I buy Scelta Civica Sc books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Scelta Civica Sc book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Scelta Civica Sc books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Scelta Civica Sc audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon.

Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Scelta Civica Sc books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
