

Slovenia

Council of Europe. European Programme of National Cultural Policy Reviews, Council of Europe. Council for Cultural Co-operation

The Rough Guide to Slovenia Norm Longley, 2004 The brand-new Rough Guide to Slovenia is the definitive handbook to one of Europe's smallest, yet most beguiling nations. The northernmost republic of the former Yugoslavia, straddles central Europe and the Balkans, and is said to be the greenest country on the continent. There's a wealth of things to see and do. The guide covers the country in all the detail it deserves, with as much attention to the capital Ljubljana's youthful culture and Baroque and Hapsburg architecture as to the stunning cave network at Postojna, the wilds of the Julian Alps and the charms of the Istrian coastline. There are maps and plans throughout and a full-colour introductory section listing the author's favourite "things not to miss". The contexts section includes informed background on Slovenian history, folklore, music and wildlife.

Slovenia - Culture Smart! Jason Blake, Culture Smart!, 2011-09-01 Slovenia seems closer to Austria or Italy than to its Balkan neighbors. The richest of the Slavic nation-states, it has an entirely Western tradition, having belonged in the past to the Roman Empire, the Frankish kingdom, the Holy Roman Empire, the Republic of Venice, the Habsburg monarchy, and the First French Empire. After the Second World War it became part of the Republic of Yugoslavia, before declaring independence in 1991. This extraordinary cultural legacy is what sets Slovenia apart, matched by an amazingly varied topography packed into a small area. Traveling toward the coast, you see changes in the landscape and in the architecture. This reflects both the natural and the historical variety: the Venetians built their buildings one way, the Austrians another. Slovenia's natural beauty is astonishing. Legend relates that when God was allotting nature's bounty, he forgot Slovenia. His last-minute solution was to take bits of the best from other places: gorgeous Alpine ranges, the less craggy Pohorje mountains, the Pannonian plain stretching toward Hungary, hill after hill rolling southward into the horizon, the unique karst landscape, rivers aplenty, and a few miles of Adriatic coastline. Never having had a glorious unified kingdom in the past, Slovenians identify themselves not by blood or history but by their language, which differs from the other languages of the ex-Yugoslavia. The older generation is fluent in Serbo-Croatian, which helps for politics and trade, but has little of its historical baggage, and the country has geo-political importance as a politically stable stepping stone to the Balkans. As far

as nationhood goes, Slovenia's golden age is now. There is a sense of change in the country—mostly for the better, and not the dull stampede toward materialism that one sees in some other former Eastern bloc countries. As a tourist destination Slovenia has it all, from medieval ruined monasteries to whitewater rafting. The people of this lovely land are genuinely glad that others are discovering their country. There are no real language problems; the younger people all speak English. Moreover, membership of the EU means that this is a country in transition. Culture Smart! Slovenia will introduce you to the inner world of this moderate, orderly, and conservative people who have emerged into the post-Communist world hungry for change.

Historical Dictionary of Slovenia Leopoldina Plut-Pregelj,Gregor Kranjc,Žarko Lazarevic,Carole Rogel,2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition. This includes new entries related to Slovenia's first 13 years as a member of NATO and the EU, changing diplomatic relations with its neighbors and other global states and institutions, a new crop of politicians who have upended the political status quo, entries related to Slovenia's worst 21st century recession (2008-2013), nationwide protests against corruption, and many other developments. This third edition of Historical Dictionary of Slovenia contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Slovenia.

The Rough Guide to Slovenia (Travel Guide eBook) Rough Guides,2017-06-01 The brand new The Rough Guide to Slovenia is the ultimate travel guide to one of Europe's smallest but most enchanting countries. Discover Slovenia's myriad charms with the help of stunning photography, colour-coded maps and smart recommendations of the best places to eat, drink and stay. with *The Rough Guide to Slovenia*.

Slovenia Ted Gottfried, 2005 Explores the geography, history, government, economy, people, and culture of Slovenia.

A Brief History of Slovenia Janko Prunk, 1996

Slovenia Mojmir Mrak, Matija Rojec, Carlos Silva-Jauregui, 2004-01-01 Thirteen years after independence from the former Socialist Republic of Yugoslavia, Slovenia has become one of the most advanced transition economies in Central and Eastern Europe and will become a member of the EU in May 2004. This publication examines the country's recent political and socio-economic history, its transition to a market economy and the challenges that lie ahead. It includes contributions from Slovenia's president, a former vice prime minister, the current and previous ministers of finance, the minister of European Affairs, the current and former governors of the Bank of Slovenia, as well as from leading development scholars in Slovenia and abroad.

Taste Slovenia Janez Bogataj, 2007

Integral Green Slovenia Darja Piciga, Alexander Schieffer, Ronnie Lessem, 2016-06-03 Ronnie Lessem and Alexander Schieffer's Integral Green Society and Economy series has three overarching aims. The first is to link together two major movements of our time, one philosophical, the other practical. The philosophical movement is towards what many today are calling an 'integral' age, while the practical is the 'green' movement, duly aligned with that of sustainable development. The second is to blend together elements of nature and community, culture and spirituality, science and technology, politics and economics, thus serving to bring about an 'integral green' vision, albeit with a focus on business and economics. As such, the authors transcend the limitations to sustainable development and environmental economics, which are overly ecological, if not also technological, in orientation, and exclude social and cultural elements. Thirdly, this particular volume, with Darja Piciga, focuses specifically on Slovenia, as well as on Europe generally, drawing on the particular issues and capacities that this country and continent represents, particularly for sustainable development and social knowledge-based economy. The emphasis on Slovenia arose, not only because it lies at the heart of Europe, but because a specific movement for an Integral Green Slovenian Society and Economy, has been co-evolved there, by the three editors in conjunction with Slovene organisations, communities and movements, with a view to integrating existing and emerging knowledge resources, initiatives and practices into a model, as an alternative to austerity, for Slovenia and other European countries.

The A to Z of Slovenia Leopoldina Plut-Pregelj, Carole Rogel, 2010 For more than 1,300 years Slovenes had lived in Eastern Europe without having a separate Slovene state, but in December of 1990, they voted for independence, or, put more appropriately, for disassociation from Yugoslavia. Unfortunately, Slovenia had to fight for its independence, which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over. Since independence, however, Slovenia has prospered; its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the

European Union, the only republic of former Yugoslavia to do so. The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism. This is done through a detailed chronology, an introduction, appendixes, a bibliography, and hundreds of cross-referenced dictionary entries on some of the more significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

Landscapes of Slovenia David Robertson, Sarah Stewart, 2003 A car-touring and walking guide to Slovenia. It presents advice on different walks, along with topographical walking maps and a fold-out touring map. Many short walks for motorists are suggested, along with recommendations of areas for suitable for picnics.

Our Summer In Slovenia Tom Marshall, 2007-07-12 This is the second book by Tom Marshall exploring the benefits of periodic extended rentals as an alternative to owning a second home, while providing an example in his travel journal account of a summer spent in Slovenia. Tom Marshall and his wife Elysee retired from the business world, moved permanently to Naples, Florida, and were faced with the baby boomer' question of whether to sell their property up North or keep it as a second residence. The Marshalls took the unusual decision to sell out and make the world their second home. They have traveled every summer to a different part of the world and established a residence for three or four months. This exciting travel journal recounts their adventures in and around Slovenia, including excursions to Hungary, Venice, Italy and Vienna, Austria. Tom also describes their alternative lifestyle for retiring baby boomers.

pronunciation. Explore every corner of Slovenia with clear maps and expert background on everything from the country's history, folklore, music and wildlife to the world's largest underground canyon at the kocjan caves. Make the most of your holiday with The Rough Guide to Slovenia.

The Geography of Slovenia Drago Perko, Rok Ciglič, Matija Zorn, 2020-08-15 This book is the first to give a comprehensive and detailed overview of the complete geography of Slovenia in English. Only very few countries, even considerably larger ones, can boast the landscape diversity found in Slovenia since the Alps, the Pannonian Basin, the Dinaric Alps, and the Mediterranean meet and interweave in this small corner of Central Europe, as do Germanic, Hungarian, Slavic, and Romance cultural influences. The book provides a systematical overview of physical and human geographical elements of Slovenia from landforms to cultural characteristics. Special attention is given to landscape diversity, to the presentation of Slovene landscape types and regions, to some particularities and interesting facts of Slovenia, and to the position of Slovenia in the World. The book also illustrates some other important geographical phenomena, processes and interactions between nature and society in nowadays Slovenia. This volume appeals to researchers as well as students in the field of regional geography. It can also serve as a source for complete background information as well as a field guide for Slovenia.

The Soils of Slovenia Borut Vrščaj, Blaž Repe, Primož Simončič, 2017-05-17 This books gives a complete overview of the Soils of Slovenia, from soil research history, climate, geology, geomorphology, major soil types, soil maps, soil propoerties, classification, fertility, land use and vegetation, soil management, soils and humans, soils and industries and future soils issues.

Slovenia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slovenia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slovenia has opened up a world of possibilities. Downloading Slovenia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slovenia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF

downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slovenia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slovenia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slovenia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slovenia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads

have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Slovenia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning

experience. Slovenia is one of the best book in our library for free trial. We provide copy of Slovenia in digital format, so the resources that you find are reliable.
