

Slovenia

Slovenian Slovenia

A Brief History of Slovenia Janko Prunk, 1996

Historical Dictionary of Slovenia Leopoldina Plut-Pregelj, Gregor Kranjc, Žarko Lazarevic, Carole Rogel, 2018-02-22 The expanded third edition of the Historical Dictionary of Slovenia covers personalities and events that have made a mark on Slovenia in the more than a decade since the last edition. This includes new entries related to Slovenia's first 13 years as a member of NATO and the EU, changing diplomatic relations with its neighbors and other global states and institutions, a new crop of politicians who have upended the political status quo, entries related to Slovenia's worst 21st century recession (2008-2013), nationwide protests against corruption, and many other developments. This third edition of Historical Dictionary of Slovenia contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Slovenia.

The Rough Guide to Slovenia Norm Longley, 2004 The brand-new Rough Guide to Slovenia is the definitive handbook to one of Europe's smallest, yet most beguiling nations. The northernmost republic of the former Yugoslavia, straddles central Europe and the Balkans, and is said to be the greenest country on the continent. There's a wealth of things to see and do. The guide covers the country in all the detail it deserves, with as much attention to the capital Ljubljana's youthful culture and Baroque and Hapsburg architecture as to the stunning cave network at Postojna, the wilds of the Julian Alps and the charms of the Istrian coastline. There are maps and plans throughout and a full-colour introductory section listing the author's favourite "things not to miss". The contexts section includes informed background on Slovenian history, folklore, music and wildlife.

Slovenia - Culture Smart! Jason Blake, Culture Smart!, 2011-09-01 Slovenia seems closer to Austria or Italy than to its Balkan neighbors. The richest of the Slavic nation-states, it has an entirely Western tradition, having belonged in the past to the Roman Empire, the Frankish kingdom, the Holy Roman Empire, the Republic of Venice, the Habsburg monarchy, and the First French Empire. After the Second World War it became part of the Republic of Yugoslavia, before declaring independence in 1991. This extraordinary cultural legacy is what sets Slovenia apart, matched by an amazingly varied topography packed into a small area. Traveling toward the coast, you see changes in the landscape and in the architecture.

This reflects both the natural and the historical variety: the Venetians built their buildings one way, the Austrians another. Slovenia's natural beauty is astonishing. Legend relates that when God was allotting nature's bounty, he forgot Slovenia. His last-minute solution was to take bits of the best from other places: gorgeous Alpine ranges, the less craggy Pohorje mountains, the Pannonian plain stretching toward Hungary, hill after hill rolling southward into the horizon, the unique karst landscape, rivers aplenty, and a few miles of Adriatic coastline. Never having had a glorious unified kingdom in the past, Slovenians identify themselves not by blood or history but by their language, which differs from the other languages of the ex-Yugoslavia. The older generation is fluent in Serbo-Croatian, which helps for politics and trade, but has little of its historical baggage, and the country has geo-political importance as a politically stable stepping stone to the Balkans. As far as nationhood goes, Slovenia's golden age is now. There is a sense of change in the country—mostly for the better, and not the dull stampede toward materialism that one sees in some other former Eastern bloc countries. As a tourist destination Slovenia has it all, from medieval ruined monasteries to whitewater rafting. The people of this lovely land are genuinely glad that others are discovering their country. There are no real language problems; the younger people all speak English. Moreover, membership of the EU means that this is a country in transition. Culture Smart! Slovenia will introduce you to the inner world of this moderate, orderly, and conservative people who have emerged into the post-Communist world hungry for change.

Slovenia Ted Gottfried,2005 Explores the geography, history, government, economy, people, and culture of Slovenia.

The A to Z of Slovenia Leopoldina Plut-Pregelj,Carole Rogel,2010 For more than 1,300 years Slovenes had lived in Eastern Europe without having a separate Slovene state, but in December of 1990, they voted for independence, or, put more appropriately, for disassociation from Yugoslavia. Unfortunately, Slovenia had to fight for its independence, which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over. Since independence, however, Slovenia has prospered; its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union, the only republic of former Yugoslavia to do so. The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism. This is done through a detailed chronology, an introduction, appendixes, a bibliography, and hundreds of cross-referenced dictionary entries on some of the more significant persons, places, and events; institutions and organizations; and political, economic, social, cultural, and religious facets.

The Rough Guide to Slovenia (Travel Guide eBook) Rough Guides,2017-06-01 The brand new The Rough Guide to Slovenia is the ultimate travel guide to one of Europe's smallest but most enchanting countries. Discover Slovenia's myriad charms with the help of stunning photography, colour-coded maps and smart recommendations of the best places to eat, drink and stay. Get the lowdown on Ljubljana, one of Europe's greenest and most beguiling capitals. Find detailed practical advice on making the most of Slovenia's extraordinary natural heritage, whether that's kayaking on the Soca river, swimming

in Lake Bohinj, hiking through lush pine forests or even skiing. There's expert guidance, too, on exploring Slovenia's magnificent caves, its world-class wine regions and its wonderful spas. With handy itineraries, author favourites and Top 5 boxes picking out the unmissable highlights, The Rough Guide to Slovenia won't let you down. Make the most of your trip with The Rough Guide to Slovenia.

Slovenia Stane Granda,2008

Suche einfach nach dem Land + Publishing bei Amazon.

Slovenia and the Slovenes James Gow,Cathie Carmichael,2010 One of Europe's smallest countries, with a population of less than 2 million, Slovenia has an ancient and distinct national culture. It emerged in 1991 after fighting a brief war of independence to leave behind the remnants of Tito's Yugoslavia. Traces of the Slovene language are found in documents of the ninth century, a system of peasant democracy is recorded in medieval times, and a Slovene Bible appeared as early as 1557. This volume provides a comprehensive survey of Slovenia and its people, including details of political, economic, military and cultural life. There are few books available on Slovenia and this new edition of a classic has been revised and expanded to bring the reader up to date.

Slovenia Mojmir Mrak,Matija Rojec,Carlos Silva-Jauregui,2004-01-01 Thirteen years after independence from the former Socialist Republic of Yugoslavia, Slovenia has become one of the most advanced transition economies in Central and Eastern Europe and will become a member of the EU in May 2004. This publication examines the country's recent political and socio-economic history, its transition to a market economy and the challenges that lie ahead. It includes contributions from Slovenia's president, a former vice prime minister, the current and previous ministers of finance, the minister of European Affairs, the current and former governors of the Bank of Slovenia, as well as from leading development scholars in Slovenia and abroad.

Slovenia Marjan Senjur,Centre for International Cooperation and Development (Slovenia),1993

Taste Slovenia Janez Bogataj,2007

Cultural Policy in Slovenia Council of Europe. European Programme of National Cultural Policy Reviews,Council of Europe. Council for Cultural Co-operation,1998

The Geography of Slovenia Drago Perko,Rok Ciglič,Matija Zorn,2020-08-15 This book is the first to give a comprehensive

and detailed overview of the complete geography of Slovenia in English. Only very few countries, even considerably larger ones, can boast the landscape diversity found in Slovenia since the Alps, the Pannonian Basin, the Dinaric Alps, and the Mediterranean meet and interweave in this small corner of Central Europe, as do Germanic, Hungarian, Slavic, and Romance cultural influences. The book provides a systematical overview of physical and human geographical elements of Slovenia from landforms to cultural characteristics. Special attention is given to landscape diversity, to the presentation of Slovene landscape types and regions, to some particularities and interesting facts of Slovenia, and to the position of Slovenia in the World. The book also illustrates some other important geographical phenomena, processes and interactions between nature and society in nowadays Slovenia. This volume appeals to researchers as well as students in the field of regional geography. It can also serve as a source for complete background information as well as a field guide for Slovenia.

Treasures of Slovenia Matjaž Kmecl, 1981

Moon Croatia & Slovenia Shann Fountain Alipour, 2019-06-25 Sun-drenched villages and warm beaches, thick forests and snow-capped mountains: Immerse yourself in a postcard come to life with Moon Croatia & Slovenia. Republic of Slovenia - Religion and Economy Susanne Mayer, 2006-07-19 Essay from the year 2006 in the subject Cultural Studies - East European Studies, grade: 1,9, University of Cooperative Education Mannheim, course: Intercultural Management, language: English, abstract: The "Republika Slovenija" is one of the new republics formed with the dissolution of Yugoslavia. It lies at the heart of Europe, neighbors are Austria, Hungary, Croatia and Italy. With its small transition economy and population of approximately two million, Slovenia is a model of economic success and stability for its neighbors

in the former Yugoslavia. The country, which joined the EU in 2004, enjoys a GDP per capita substantially higher than any of the other transitioning economies of Central Europe. Slovenia plans to adopt the Euro by 2007 and has met the ECU's Maastricht criteria for inflation. (www.nationbynation.com/Slovenia/Economy.html&h=288&w=434&sz=12&tbid=TD7) Despite its economic success, Slovenia also faces challenges. The economy which is currently mostly in state hands needs to be privatized, taxes are relatively high, and the labor market is often seen as inflexible.

(www.nationbynation.com/Slovenia/Economy.html&h=288&w=434&sz=12&tbid=TD7) The population of approximately two million Slovenians includes about 6,300 Hungarians and 2,300 Italians who form the two indigenous minorities whose rights are protected under the Constitution. Other ethnic groups include Croats, Serbs, Bosnians (Muslims), Yugoslavs, Macedonians, Montenegrins and Albanians. Population density is 98.3 inhabitants per km², which is much lower than in the majority of other European states (www.matkurja.com/en/country-info/) The following tables and charts give more detailed information about education, politics, religion, and economy and in Slovenia.

Smiling Slovenia Vladislav Bevc, 2008 Smiling Slovenia's collection of articles and essays on Slovenia's current political scene boldly declares its dissenting view from the political mainstream beginning with a declaration of a dozen prominent intellectuals presenting their views of Slovenia's political situation. Topics range from recent Slovenian history, Slovenia's role in the breakup of Yugoslavia, foreign policies, including liaisons with the Islamic terrorists to modern-day Slovenian-American relations and Slovenia's admission into the European Union. This book shows that Slovenia, although outwardly westernized, is still deeply rooted in its communistic legacy. However, prominent intellectuals and democratic politicians strive to hold Slovenia to the highest European cultural, ethical, political, legal, and economical standards in public life - a goal that may take several generations to achieve. Some authors observe that transparency achieved by the present conservative coalition government has already established a state of affairs where return to the old ways of a crypto government would be impossible even if the leftist parties returned to power.

Slovenia Introduction

In today's digital age, the availability of Slovenia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slovenia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slovenia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slovenia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and

transportation. Furthermore, Slovenia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slovenia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slovenia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a

limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slovenia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slovenia books and manuals for download and embark on your journey of knowledge?

FAQs About Slovenia Books

1. Where can I buy Slovenia books? Bookstores: Physical

bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Slovenia book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Slovenia books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for

tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Slovenia audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Slovenia books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
