This 112-page book includes nine cross-curricular plays and leveled roles that allow for differentiation. Approved by the National Reading Panel as an ideal way to promote fluency, this engaging resource also includes instructions for performing and critiquing, teacher pages and helpful hints, and staging, costume, and prop suggestions. For complete classroom support, the book provides instructions for connecting the topic of each play to other curriculum areas, comprehension pages, and answer keys. This book aligns with state, national, and Canadian provincial standards.

[Drop the Act, It's Exhausting!](#) Beth Thomas Cohen,2015-11-04 Drop the Act, It's Exhausting! is one woman's call to all women to embrace the imperfections in their lives and to air their "improper" thoughts about relationships, love, sex, parenting, careers, self-esteem, and self-image. By no longer being ashamed or apologetic about how they really feel," women will become more aware of who they are and more accepting of themselves and one another. With wit, candor, and refreshingly blunt observations, Beth Thomas Cohen proves herself the prime example of how freeing, fun, and unifying it can be to drop the act and live a not so put-together life.

It's All An Act Jim Wood,2023-03-03 From trainee teachers to veteran, battle-hardened staff, the recurring nightmare is of a class of teenagers who simply will not do as they are told. The stomach-clenching, hand-trembling, knee-jittering question we ask ourselves at the start of each new year is, 'What if the pupils walk all over me?' No matter how confident we are in our own abilities, regardless of our position in the school, irrespective of the reputation we have built for ourselves, if we do not ask ourselves that question, then sooner or later we are in for a nasty shock. When it comes to classroom management, we are all in the same boat. We all experience classroom management challenges. It's All An Act offers a range of practical, no-nonsense, pragmatic strategies and techniques to try out, practise, adapt or abandon. It works on the premise that, to a great extent, classroom management is something we can do with pupils rather than to them. In response to the cry of, 'What's the point? That would never work!' the reply is, 'Give it a go. What have you got to lose?' For colleagues under the cosh of lesson preparation, marking, administration, meetings and deadlines, it's an easy read. What have you got to lose?

Put It in Your Act! Larry Osman,2009-08-30 A wacky autobiographical comedy about a stand-up comedian wanna-be.
