Ich habe einen Traum Bebe Vio, 2018-12-14 In jedem Sportlerleben gibt es Rückschläge. Aber als junger Mensch seine Arme und Beine, die so wichtig für den Sport sind, an eine Krankheit zu verlieren – einen solchen Rückschlag würden viele nicht verkraften. Bebe Vio hielt immer an ihrem Traum von einer Karriere als Fechterin fest. Auch dann, als ihr mit elf Jahren nach einer plötzlichen Hirnhautentzündung Arme und Beine amputiert wurden. Sie träumte unbeirrt weiter von der Olympiade und begann im Rollstuhl, für die Paralympics zu trainieren. Mit ihrem unerschütterlichen Kampfgeist schaffte sie es in die Weltklasse und holte Medaille um Medaille. Sie gründete auch eine Wohltätigkeitsorganisation, art4sport, um anderen zu zeigen, wie sie durch Sport ihre Lebensfreude wiedergewinnen können. Dieser Essay ist der siebte aus der Reihe Big Ideas der Europäischen Investitionsbank.

Sports around the World [4 volumes] John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports. Sports Around the World: History, Culture, and Practice provides a unique, global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example,

Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. Additionally, the four-volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player.

Sport Tourism and Its Territorial Development and Opportunities Barbara Mazza, Claude Sobry, 2022-09-21 The book explores the theme of active sports tourism, which includes extreme sports, those in contact with nature, and the so-called ‘slow adventure’. It shows that it is a rapidly developing sector because it is less expensive than other tourism segments, produces more economic impact for the host territory and is more attentive to respect for the environment. The book provides a complete picture of the phenomenon at an international level, investigating its territorial development, the profile of sports tourists, the role of communication and host branding, the contamination between sports tourism and other forms of tourism, and the prospects for future development of this sector.

Female Olympians Linda K. Fuller, 2016-12-07 This book examines women's participation in the Olympic Games since they were allowed to be included in that global arena. Using a holistic, social scientific approach, and emphasizing the rhetoric of sport mediatization, *Female Olympians* reviews the literature relative to sexism, racism, and ageism before providing historical, political, economic, and socio-cultural perspectives such as the gendered language of Olympic reportage, religious considerations, women's bodies relative to their training for the Games, drugs and doping, and female Paralympians. With numerous critical case studies, never-before assembled data, and personal interviews with athletes, this volume offers insights that both investigate and celebrate female Olympians' successes.

Luckily, David Goldblatt and Johnny Acton have created this utterly thorough and always fun guide to the rules, strategy, and history of each sport. But the death threats that followed forced the author into hiding. Saviano was ostracized by his countrymen and went on the run, changing his location every few months and compelled to keep perpetual company with his bodyguards. To this day, he lives in an undisclosed location. The loneliness of the fugitive life informs the essays in *Beauty and the Inferno*. Among other subjects, he writes about the legendary South African jazz singer Miriam Makeba, his meeting with the real-life Donnie Brasco, sharing the Nobel Academy platform with Salman Rushdie, and the murdered Russian journalist Anna Politkovskaya. Present throughout the book is a sense of Saviano’s peculiar isolation, which infuses his words with anger, exceptional insight and tragedy.
